CHAPTER 1 – ESTABLISHMENT AND NATURE OF THE FUND

PREAMBLE - HISTORY OF THE FUND

- (i) The Cape Town Municipal Pension Fund (“the FUND”) was established in 1925 following negotiations between the staff and the then Cape Town Municipality. The Fund was constituted in terms of Provincial Ordinance No.24 of 1919, and provided for both a gratuity and a PENSION on retirement.
- (ii) The FUND was registered in terms of the Pension Funds Act, No. 24 of 1956 (“the ACT”) on 23 June 1962.
- (iii) A subsequent ordinance (No. 25 of 1966) provided that local authority funds could draw up and register their own rules.
- (iv) Prior to 1 July 1997, the Principal Employer in the FUND was the Cape Town City Council (“the CITY OF CAPE TOWN”) and membership of the FUND was open to that employer’s employees only. With effect from that date, Province of the Western Cape Proclamation 12 of 1997, promulgated in terms of Local Government Transition Act, Act no.12 of 1994, transferred many of the members to other and newly created local authorities. The FUND became a multi-employer fund.
- (v) With effect from 1 March 1998, the name of the FUND was changed from “Cape Town Municipal Pension Fund” to “Cape Municipal Pension Fund”, in order to reflect its broader membership.
- (vi) Following on negotiations between the participating Employers and staff representatives, it was agreed that:
 - a) the FUND would provide benefits on a Defined Contribution basis for all persons becoming MEMBERS on or after 1 July 1998, resulting in the formation of the DC SECTION, distinct from the DB SECTION which already existed in the FUND at that time; and
 - b) existing MEMBERS of the FUND at that date, were given the option of having their benefits converted to the new Defined Contribution basis, converting to membership of the newly formed DC SECTION, or retaining their existing membership of the existing DB SECTION.

All TRUSTEES, including the Chairperson, have 1 (one) vote each. A resolution passed either by consensus or by $\frac{2}{3}$ (two thirds) majority is effective when it is passed. A copy of such resolution, signed by the Chairperson and the PRINCIPAL OFFICER, shall constitute confirmation of the resolution.

The mediator will decide the process for the second meeting and will continue to mediate the deadlock and facilitate the TRUSTEES reaching a decision in terms of RULE 8.4.2.

This selection shall be made within 2 (two) BUSINESS DAYS after the meeting of the TRUSTEES and the appointment shall be made as soon as possible thereafter. The TRUSTEES must require that the independent expert, in making the decision, acts as an expert and not as an arbitrator, and makes the decision within 10 (ten) BUSINESS DAYS after his or her appointment or any other time period that the PRINCIPAL OFFICER, in consultation with the relevant service providers of the FUND, may decide.

8.8.4.2.2. The decision of the independent expert shall be final and binding on the TRUSTEES unless all the TRUSTEES then in office agree that the decision was made in bad faith or manifest error, in which event the matter shall be put to the vote again. If there is again no decision in terms of RULE 8.4.2, the matter shall be referred to a second independent expert in the same manner as set out in this RULE and subject to the same requirements, except that the decision of the second independent expert shall be final and binding on the TRUSTEES.

[Rule 11.3.3.3 inserted in terms of rule amendment no. 8 registered on 9 September 2019]

11.3.4. 18.2. Transfer out of the FUND

18.2.1. If a DC ACTIVE MEMBER or a DB ACTIVE MEMBER is transferred to the service of an employer not participating in the FUND, the MEMBER

remains in the FUND as a PAID-UP MEMBER (if previously a DC ACTIVE MEMBER) or as a DEFERRED PENSIONER (if previously a DB ACTIVE MEMBER), unless he or she chooses to become -

[Rule 18.2.1 replaced in terms of rule amendment no. 11 registered on 23 June 2020]

- 18.2.1.1. a member of an APPROVED PENSION FUND established for the benefit of the employees of the organisation to which he or she is transferred, in which event, the TRUSTEES must pay the TRANSFER VALUE to that fund and that MEMBER has no further claim on the FUND; or
 - 18.2.1.2. a member of an APPROVED PROVIDENT FUND established for the benefit of the employees of the organisation to which he or she is transferred, in which event, the TRUSTEES must, provided that the MEMBER agrees thereto, pay his or her TRANSFER VALUE less any tax payable thereon to that fund, and that MEMBER has no further claim on the FUND;
 - 18.2.1.3. a member of an APPROVED RETIREMENT ANNUITY FUND or an APPROVED PRESERVATION PENSION FUND chosen by that MEMBER within such period as the TRUSTEES determine, if permitted by the REVENUE AUTHORITY and the Rules of the receiving Fund, in which event, the TRUSTEES must pay the TRANSFER VALUE to that fund, and that MEMBER has no further claim on the FUND.
- 18.2.2. The EMPLOYER is not required to make contributions to the FUND, after the effective date of transfer, in respect of a MEMBER who transfers out of the FUND in terms of RULE 18.2.1, and such a MEMBER is, after this effective date, no longer eligible to receive the LIFE ASSURANCE BENEFIT, if previously applicable.
- 18.2.3. A PAID-UP MEMBER may:
- 18.2.3.1. Have transferred to the FUND a TRANSFER VALUE in respect of him or her from an APPROVED FUND or an APPROVED PRESERVATION FUND. Where any part of such TRANSFER VALUE comprises a VESTED PORTION then the accounting in his or her MEMBER SHARE ACCOUNT must reflect such VESTED PORTION separately;

[Rule 18.2.3.1 amended in terms of rule amendment no. 14 registered in 2021]

18.2.3.2. Require, after acknowledging in writing to the FUND that he or she has had access to RETIREMENT BENEFIT COUNSELLING, that his or her TRANSFER VALUE be transferred to an APPROVED FUND, an APPROVED PRESERVATION FUND or an APPROVED RETIREMENT ANNUITY FUND of which he or she has been accepted as a member. After such transfer that PAID-UP MEMBER has no further claim on the FUND. If any part of such TRANSFER VALUE comprises a VESTED PORTION then that must be indicated in the TRANSFER VALUE.

[Rule 18.2.3 inserted in terms of rule amendment no. 8 registered on 9 September 2019]

[Rule 18.2.3.2 amended in terms of rule amendment no. 14 registered in 2021]

18.3. Calculation of TRANSFER VALUE

18.3.1. The amount transferred in respect of an ACTIVE MEMBER in terms of RULE 18.2.1 is subject to the following –

18.3.1.1. the relevant TRANSFER VALUE may not be less than the MINIMUM BENEFITS due in respect of any such MEMBER;

18.3.1.2. in respect of any DB ACTIVE MEMBER so transferred, his or her TRANSFER VALUE must be determined according to the same valuation methodology applied in respect of the most recent valuation of the FUND by the ACTUARY. This is subject to the provision that the TRUSTEES may choose to not include in such TRANSFER VALUE any portion of any CONTINGENCY RESERVE ACCOUNT, as defined in the ACT, attributable to that DB ACTIVE MEMBER. However, in this event, the transferring DB ACTIVE MEMBER concerned must be included by the TRUSTEES as being eligible to receive a portion of any ACTUARIAL SURPLUS revealed at the next actuarial valuation of the FUND and allocated to DB ACTIVE MEMBERS and former such MEMBERS.

18.3.1.3. If any part of such TRANSFER VALUE comprises a VESTED PORTION then that must be indicated in the TRANSFER VALUE.

[Rule 18.3.1.3 inserted in terms of rule amendment no. 14 registered in 2021]

18.4. Special transferability in terms of “freedom of association”

18.4.1. The TRUSTEES may only allow a DC ACTIVE MEMBER or a DB ACTIVE MEMBER to transfer to another APPROVED FUND in which his or her employer participates, subject to all of the following:

18.4.1.1. Transfer agreements having been concluded with such APPROVED FUND;

18.4.1.2. the lawfully binding principles of freedom of association agreed to by the South African Local Government Bargaining Council (SALGBC) having been complied with; and

18.4.1.3. approval by the TRUSTEES, subject to such further conditions as they may specify, being given; and

18.4.1.4. the provisions of any relevant legislation, including Provincial Proclamations, being complied with; and

18.4.1.5. subject to the other provisions of these RULES, including RULE 18.2.

[Rule 18.4.1.5 amended in terms of rule amendment no. 6 registered on 6 March 2018]

18.5. Membership on re-instatement and on rejoining employment

18.5.1. A DB ACTIVE MEMBER whose SERVICE is terminated for any reason by the EMPLOYER and who is subsequently reinstated to SERVICE, must have his or her membership (and CONTRIBUTORY SERVICE and PENSIONABLE SERVICE) reinstated in the DB SECTION, so that he or she is placed in the same position as if his or her SERVICE had not been terminated, subject to the:

18.5.1.1. repayment of any benefits paid as a result of such termination,

18.5.1.2. terms of reinstatement;

18.5.1.3. payment to the FUND by the EMPLOYER of such amounts as the ACTUARY may certify as necessary to ensure that the

reinstatement does not cause a strain on the financial position of the FUND; and/or

18.5.1.4. on such other conditions as the TRUSTEES, acting on the advice of the ACTUARY, may specify.

18.5.2. A DC ACTIVE MEMBER whose SERVICE is terminated for any reason by the EMPLOYER and who is subsequently reinstated to SERVICE, must have his or her membership reinstated in the DC SECTION, subject to the option of the repayment of any benefits paid as a result of such termination and on such conditions as the TRUSTEES, acting on the advice of the ACTUARY, may specify.

18.5.3. An ACTIVE MEMBER, who ceases to be an EMPLOYEE, but who subsequently becomes an EMPLOYEE again, other than by way of reinstatement, is only eligible to join the DC SECTION.

RULE 19 - DEDUCTION FROM BENEFITS

19.

19.1. The TRUSTEES may make any deductions from any benefit allowed by Section 37A and Section 37D of the ACT, including the following:

[Rule 19.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

19.1.1. any amount of tax on any benefit payable to any MEMBER or BENEFICIARY and on any interest payable in respect of such a benefit in terms of RULE 22.3;

19.1.2. any arrear contributions owed to the FUND;

19.1.3. any sum owing to the FUND or the EMPLOYER by the MEMBER upon ceasing to be in SERVICE for a housing loan or guarantee granted to that MEMBER to fulfil a purpose specified in Section 19(5)(a) of the ACT up to the amount permitted in terms of the ACT allowed to be taken as a housing loan;

[Rule 19.1.3 amended in terms of rule amendment no. 8 registered on 9 September 2019]

19.1.4. the TRUSTEES may, if the EMPLOYER has instituted legal proceedings in a court of law against a MEMBER upon ceasing to be in SERVICE for compensation in respect of damage caused to the EMPLOYER as

contemplated in Section 37D of the ACT, withhold payment of any benefit for a reasonable period or until such time as the matter has been finally determined by a competent court of law or has been settled or formally withdrawn, provided that –

[Rule 19.1.4 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 19.1.4.1. the TRUSTEES are satisfied that the EMPLOYER has made a *prima facie* case against the MEMBER and there is reason to believe that the EMPLOYER has a reasonable chance of success in the proceedings that have been instituted;
- 19.1.4.2. the TRUSTEES are satisfied that the EMPLOYER is not at any stage of the proceedings responsible for any significant undue delay in the prosecution of the proceedings;
- 19.1.4.3. once the proceedings have been determined, settled or withdrawn, or the MEMBER has admitted liability in writing to the EMPLOYER, and after deduction of any amount from the benefit which may be paid to the EMPLOYER in terms of the ACT, the MEMBER becomes a PAID-UP MEMBER in respect of the balance of the benefit;

[Rule 19.1.4.3 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 19.1.4.4. any benefit withheld in terms of this RULE must have interest added to it in the same way as set out in RULE 22.3 from the time that such benefit is withheld.
- 19.1.5. contributions to a medical scheme, by arrangement with and on behalf of the PENSIONER;
- 19.1.6. such deductions in force as at 1 January 2003 in respect of insurance premiums by arrangement with and on behalf of the PENSIONER;
- 19.1.7. any amount payable under RULE 20 in terms of the Divorce Act, No. 70 of 1979, or in terms of the Maintenance Act, No. 99 of 1998, or any other applicable legislation; and
- 19.1.8. any other deductions for such other purpose as agreed by the PENSIONER with the TRUSTEES and as approved by the AUTHORITY; and to the extent permitted by law.

- 19.2. Any deductions made in terms of this RULE 19 are deemed to be taken by the BENEFICIARY as part or the whole of any lump sum permitted in terms of RULE 35.4 and 51.1.2.

[Rule 19.2 (rule reference) amended in terms of rule amendment no. 3 registered on 24 February 2017]

RULE 20 - DIVORCE ORDERS

20.

The FUND must comply with any order properly issued by a court in terms of the Divorce Act, No. 70 of 1979 (as amended) both by making the appropriate endorsement in its records and effecting any payment in terms of such an order to the former SPOUSE when due in terms of the RULES and the ACT. The amount paid in terms of a divorce order to a former SPOUSE will reduce the amount of any benefit payable to or in respect of the MEMBER concerned. In the case of MEMBERS of the DB SECTION of the FUND, such reduction will be on a basis specified by the ACTUARY as agreed by the TRUSTEES.

RULE 21 - PROTECTION OF BENEFITS

21.

- 21.1. Unless specifically permitted in terms of the ACT, the Divorce Act, No. 70 of 1979 (as amended), the Maintenance Act, No. 99 of 1998 (as amended), the INCOME TAX ACT or any other legislation or law, a benefit payable in terms of the RULES may not be reduced, transferred, ceded, pledged or hypothecated (or mortgaged) or attached or sold in satisfaction of a debt. If a BENEFICIARY attempts to transfer, cede, pledge or hypothecate (or mortgage) a benefit, the FUND must suspend the payment of the benefit to that BENEFICIARY and instead pay it directly to a DEPENDANT of the BENEFICIARY or to a guardian, trustee or curator for the benefit of the BENEFICIARY.
- 21.2. Subject to the provisions of the ACT, if a BENEFICIARY commits an act of insolvency then any benefit must be deemed not to form part of the assets in the estate of the BENEFICIARY and cannot be attached or sold in execution. If the BENEFICIARY is in receipt of a PENSION, this must continue to be paid to or for the benefit of the insolvent BENEFICIARY, and may not in any way be attached or appropriated by the trustee in the insolvent estate or by creditors. These provisions apply irrespective of the circumstance referred to in this RULE.
- 21.3. If a PENSIONER is convicted by any Court of any crime or offence and is sentenced to imprisonment for any period exceeding one month, the PENSION shall, during such period of imprisonment, continue to be paid for the benefit of the PENSIONER.

RULE 22 - PAYMENT OF BENEFITS

22.

- 22.1. Money payable to any BENEFICIARY in terms of the RULES must be ordinarily paid by means of a bank transfer to that BENEFICIARY. If payment is made other than by bank transfer, at the request of the BENEFICIARY and with the agreement of the TRUSTEES, then such payment is at the risk of the BENEFICIARY entitled to such payment.
- 22.2. Any payment made in terms of RULE 22.1 is subject to any term or condition of payment stipulated by the TRUSTEES; and any payment in respect of a benefit is in full and final settlement.
- 22.3. To the extent that interest may be due in respect of any amount payable by the FUND in terms of these RULES, then such interest is payable at the same rate and capitalised in the same way as the interest received by the FUND on monies held by it in its BANK ACCOUNT. Any such interest must be reduced by any tax thereon due by the FUND or due by the BENEFICIARY.
- 22.4. If the TRUSTEES believe that it is appropriate, it may pay a benefit –
- 22.4.1. to a trust registered in terms of the Trust Property Control Act, No. 57 of 1988 and established for the benefit of the person to whom the benefit is payable; or
- 22.4.2. to the guardian or care-giver of the person to whom that benefit is payable if that person is a minor, or to his or her curator, if that person is under curatorship, provided that, if no such guardian or curator has been appointed, then the payment may be withheld until such appointment has been properly made.
- 22.5. All benefits are determined and payable in South African Rands.

RULE 23 - UNPAID OR UNCLAIMED BENEFITS

23.

The TRUSTEES must take such steps, as they consider appropriate, to trace the person entitled to any benefit, the costs of which must be borne by the recipient by deduction from the benefit and/or from any interest paid in respect of the benefit. Any benefit, which is not paid out within a period of 24 (twenty-four) months from the date on which it becomes legally due and payable, must be transferred to the UNCLAIMED BENEFITS ACCOUNT established in terms of RULE 15. Any

unpaid or unclaimed benefit transferred to this ACCOUNT must be retained in this ACCOUNT for a period determined by the TRUSTEES from time to time, which is not less than 3 (three) years, during which period the FUND RETURN must be added to such unpaid benefit. After this period has expired in respect of that unpaid or unclaimed benefit, then the amount thereof, including the FUND RETURN, may be paid to a fund approved by the AUTHORITY for the purposes of holding unpaid or unclaimed benefits. After such payment the FUND is not liable to any person in respect of that unpaid or unclaimed benefit. The FUND must keep records of all unpaid benefits received in this ACCOUNT.

RULE 24 – BENEFITS INCREASED BY EMPLOYER REQUEST

24.

- 24.1. A BENEFIT may be increased by the EMPLOYER; providing that the amount certified by the ACTUARY as necessary is paid to the fund by the EMPLOYER and that the TRUSTEES agree, and subject to any requirements of the REVENUE AUTHORITY.

PART G – GENERAL

RULE 25 - GENERAL PROVISIONS

25.

25.1. **Notices to be in writing**

Any notice, request, instruction or other communication given to the FUND by any person in terms of the RULES must, unless otherwise specified, be in writing. Any person giving such notice, request, instruction or other communication bears the onus of proof that it was received by the FUND.

25.2. **Change of legislation**

25.2.1. To the extent that any legislation (including any subordinate legislation) referred to in these RULES is amended, repealed or substituted, then the equivalent provisions in such amended or substituted legislation are deemed to apply or be applicable in these RULES.

25.2.2. To the extent that the wording of any of these RULES is taken from the wording of any legislation in existence at the time that these RULES were approved by the AUTHORITY, and the wording of such legislation is subsequently amended, then the amended legislation overrides the applicable provision of these RULES.

25.3. Right to inspect documents and obtain copies

25.3.1. Every MEMBER is entitled to see and, on payment of such sum or amount as the TRUSTEES may decide, receive copies of –

25.3.1.1. the RULES;

25.3.1.2. the latest approved financial statements prepared in terms of the ACT;

25.3.1.3. the report by the ACTUARY on the latest statutory valuation of the FUND;

25.3.1.4. the Investment Policy document;

25.3.1.5. the Code of Conduct;

25.3.1.6. the Communication Policy; and

25.3.1.7. any document to which a MEMBER is entitled to in terms of the Promotion of Access to Information Act, No.2 of 2000.

PART H – VALUATION OF FUND AND APPORTIONMENT OF SURPLUS

RULE 26 - VALUATION

26.

26.1. Valuation of the FUND

26.1.1. The FUND must be valued on an actuarial basis by the ACTUARY in order to determine, as at the valuation date, its assets and liabilities, and whether the FUND is able to provide the benefits specified in the RULES. This valuation date is every third anniversary of 30 June 2003. The TRUSTEES may, however, require such a valuation to be performed more frequently.

26.1.2. Each valuation as referred to in RULE 26.1.1 above must be submitted to the TRUSTEES for approval.

26.1.3. Every triennial valuation (that is, every valuation which takes place as at each third anniversary of 30 June 2003) must be submitted to the AUTHORITY in terms of Section 16 of the ACT. Every such triennial valuation must also be sent to the EMPLOYER.

- 26.1.4. In each valuation relating to the DB SECTION the TRUSTEES must determine, after taking advice from the ACTUARY, the adequacy of the funding levels of the CONTRIBUTION STABILISATION ACCOUNT and the DB DATA RESERVE ACCOUNT. If the TRUSTEES determine that the CONTRIBUTION STABILISATION ACCOUNT or the DB DATA RESERVE ACCOUNT is overfunded (such account to be referred to as the "overfunded account") and that the other ACCOUNT is underfunded (such account to be referred to as the "underfunded account") then the excess in the overfunded account must be credited to the underfunded account to the extent required to ensure the full funding of the underfunded account. If the amount transferred from the overfunded account is not sufficient to fully fund the underfunded account, the shortfall in the funding of the underfunded account must be met from the DB ACTIVE MEMBER ACCOUNT, to the extent that it reflects an ACTUARIAL SURPLUS, and failing that, from the EMPLOYER SURPLUS ACCOUNT provided that the EMPLOYER agrees thereto.

[Rule 26.1.4 inserted in terms of rule amendment no. 3 registered on 24 February 2017]

26.2. Apportionment of ACTUARIAL SURPLUS

- 26.2.1. If, as a result of any triennial valuation or formal valuation by the ACTUARY, an ACTUARIAL SURPLUS is identified, the TRUSTEES may, if they consider such ACTUARIAL SURPLUS sufficiently large to warrant its apportionment, having regard to the costs involved, and if they consider that it is appropriate at that time to do so, apportion such ACTUARIAL SURPLUS, according to the following provisions:-

- 26.2.1.1. in respect of the DC SECTION, any ACTUARIAL SURPLUS apportioned must be applied for the benefit of the MEMBERS of the DC SECTION on an equitable basis, and possibly for the EMPLOYER if the TRUSTEES deem this to be equitable, taking into account the origin of any such ACTUARIAL SURPLUS (if determinable) and the interests of the MEMBERS of the DC SECTION;
- 26.2.1.2. in respect of the DB SECTION, any ACTUARIAL SURPLUS apportioned must be applied for the benefit of the MEMBERS of the DB SECTION on an equitable basis, and possibly for the EMPLOYER if the TRUSTEES deem this to be equitable taking into account the origin of any such ACTUARIAL SURPLUS (if

determinable) and the interests of the MEMBERS of the DB SECTION;

- 26.2.1.3. in respect of any ACTUARIAL SURPLUS arising in the EXPENSES ACCOUNT, the TRUSTEES may apportion this for the benefit of the MEMBERS and/or the EMPLOYER, in terms of Section 15C of the ACT. The apportionment of such ACTUARIAL SURPLUS must be on an equitable basis, taking into account the origin of such ACTUARIAL SURPLUS (if determinable), and the interests of the MEMBERS and the EMPLOYER;
- 26.2.1.4. for the purposes of apportioning any ACTUARIAL SURPLUS in terms of this RULE 26.2.1, the TRUSTEES may include any FORMER MEMBER and PENSIONER who withdrew from or transferred out of the FUND after 30 June 2003. Such FORMER MEMBERS or PENSIONERS may be eligible, but not entitled, to receive a portion of any ACTUARIAL SURPLUS, if the TRUSTEES consider this to be equitable;
- 26.2.1.5. the effective date of any apportionment of ACTUARIAL SURPLUS is at the date of the relevant triennial valuation, provided that the TRUSTEES may exclude from any such apportionment any FORMER MEMBER or PENSIONER whose membership of the FUND ceased after that effective date, if the TRUSTEES consider the costs of tracing and paying the net amounts to the FORMER MEMBERS or PENSIONERS to be disproportionate to the amount of the potential benefit;
- 26.2.1.6. any ACTUARIAL SURPLUS apportioned for the benefit of any person who is or was a MEMBER must be credited to the DC MEMBER SURPLUS ACCOUNT or the DB MEMBER SURPLUS ACCOUNT, as is appropriate. Each such ACCOUNT must be used simply as a transmission account through which the ACTUARIAL SURPLUS apportioned is routed in order to give effect within as short a period as is reasonably possible to the apportionment of that ACTUARIAL SURPLUS;
- 26.2.1.7. the costs associated with any apportionment of ACTUARIAL SURPLUS in terms of this RULE 26.2 may at the discretion of the TRUSTEES be deducted from such ACTUARIAL

SURPLUS; and such deduction may be made, if the TRUSTEES consider this appropriate, against any ACTUARIAL SURPLUS apportioned to a person if such costs are specific to that person.

26.3. Deficit as a result of any Valuation

26.3.1. If a valuation by the ACTUARY reveals an actuarial deficit and the TRUSTEES decide that the FUND will not be able to pay the benefits specified in the RULES (i.e. there is a deficit or a shortfall), the RULES must be amended so that the benefits are reduced and/or the contributions increased, as the TRUSTEES decide, after consultation with the ACTUARY and the EMPLOYER, provided that:

26.3.1.1. this is limited to the Section of the FUND in which such deficit (shortfall) arises, so that the other section, which is not in deficit, is not affected by the section that is in deficit. Thus, for example, if the DB SECTION is in deficit, but not the DC SECTION, then the deficit must be remedied either by reducing the benefits in respect of the affected DB MEMBERS or increasing the contributions by or in respect of them, and the benefits and contribution in respect of the DC SECTION are not affected; and vice versa, so that if the DC SECTION is in deficit, but not the DB SECTION, then the deficit must be remedied either by reducing the benefits in respect of the affected DC MEMBERS or increasing the contributions by or in respect of them, and the benefits and contributions in respect of the DB SECTION are not affected;

26.3.1.2. no PENSION being paid to a MEMBER may be reduced nor may any lump sum benefit already paid be required to be repaid to the FUND;

26.3.1.3. the contributions by or on behalf of an ACTIVE MEMBER may not be reduced below the contribution that is payable at that time;

26.3.1.4. the contribution rate paid by the EMPLOYER may not be lower than the contribution rates paid by or on behalf of the ACTIVE MEMBERS in the relevant section of the FUND;

26.3.1.5. to the extent that there may be any credit balance in the EMPLOYER SURPLUS ACCOUNT or the DB or DC MEMBER

SURPLUS ACCOUNT then so much of such credit balance as is necessary to eliminate such deficit must be deducted from these ACCOUNTS. However, the DC MEMBER SURPLUS ACCOUNT may not be so deducted in respect of a deficit in the DB SECTION, and the DB MEMBER SURPLUS ACCOUNT may not be so deducted in respect of a deficit in the DC SECTION.

PART I – DISCONTINUANCE AND TERMINATION OF THE FUND

RULE 27 - DISCONTINUANCE OF THE FUND

27.

27.1. Notice of discontinuance

27.1.1. The FUND may be discontinued, with the consequence in RULE 27.4, if notice of discontinuance is given:-

27.1.1.1. by the FUND to the EMPLOYER; or

27.1.1.2. by the EMPLOYER, in negotiation with MEMBERS, to the FUND.

27.2. Notice period

27.2.1. The period of notice referred to in RULE 27.1 may not be less than 6 (six) months or more than 12 (twelve) months, unless the FUND and the EMPLOYER agree otherwise.

27.3. Discontinuance Date

27.3.1. The effective date of discontinuance, being for the purposes of RULES 27 and 28 “the Discontinuance Date”, is that date specified in the notice of discontinuance given in terms of RULE 27.1, or that date agreed between the FUND and the EMPLOYER.

27.4. Consequence of discontinuance

27.4.1. With effect from the Discontinuance Date:-

- 27.4.1.1. no contributions are payable by or in respect of the MEMBERS, nor may the FUND receive any contributions in respect of the MEMBERS;
- 27.4.1.2. the LIFE ASSURANCE BENEFIT is not payable as a benefit from the FUND in respect of a MEMBER who dies after the Discontinuance Date.
- 27.4.2. The TRUSTEES must cause the FUND to be valued by the ACTUARY on a discontinuance basis as at the Discontinuance Date.
- 27.4.3. If the valuation referred to in RULE 27.4.2 reveals any ACTUARIAL SURPLUS after allowing for the MINIMUM BENEFITS of each ACTIVE MEMBER, PAID-UP MEMBER, LIVING ANNUITANT and DEFERRED PENSIONER, for the equivalent pensions as referred to in Section 30(3) of the ACT for every PENSIONER, and for the costs of liquidation of the FUND, then any such ACTUARIAL SURPLUS must be apportioned on the basis set out in RULE 26.2.

[Rule 27.4.3 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 27.4.4. If the valuation referred to in RULE 27.4.2 reveals any actuarial deficit after allowing for the MINIMUM BENEFITS of each ACTIVE MEMBER, PAID-UP MEMBER, LIVING ANNUITANT and DEFERRED PENSIONER, for the equivalent pensions as referred to in Section 30(3) of the ACT for every PENSIONER, and for the costs of liquidation of the FUND, then the FUND must be terminated in terms of RULE 28.

[Rule 27.4.4 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 27.4.5. If, on the Discontinuance Date the EMPLOYER participates in another APPROVED PENSION FUND then all the ACTIVE MEMBERS must be transferred to that APPROVED PENSION FUND. If the EMPLOYER participates in more than 1 (one) APPROVED PENSION FUND then the EMPLOYER must notify the FUND in writing to which APPROVED PENSION FUND/S each of the ACTIVE MEMBERS must be transferred. If the EMPLOYER does not participate in another APPROVED PENSION FUND, or the EMPLOYER does not give the notification referred to in this RULE 27.4.5 then the provisions of RULE 27.4.6 apply. If the APPROVED PENSION FUND to which the ACTIVE MEMBERS are transferred will accept them, the PAID-UP MEMBERS must also be transferred to that APPROVED PENSION FUND. If no APPROVED PENSION FUND will accept those, or some PAID-UP MEMBERS, those PAID-UP MEMBERS

who are not accepted must be transferred to such APPROVED PRESERVATION PENSION FUND as the TRUSTEES may decide.

[Rule 27.4.5 amended in terms of rule amendment no. 8 registered on 9 September 2019]

27.4.6. If the provisions of RULE 27.4.5 do not apply, then:-

27.4.6.1. the MINIMUM BENEFITS due to each ACTIVE MEMBER and PAID-UP MEMBER, adjusted by any surplus apportionment as referred to in RULE 27.4.3, if applicable, must be transferred to such APPROVED PRESERVATION PENSION FUND or APPROVED RETIREMENT ANNUITY FUND as each such ACTIVE MEMBER or PAID-UP MEMBER may choose within such period as the TRUSTEES determine;

[Rule 27.4.6.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

27.4.6.2. [Deleted in terms of rule amendment no. 8 registered on 9 September 2019]

27.4.6.3. any ACTIVE MEMBER or DEFERRED PENSIONER who, in terms of RULE 27.4.6.1, fails to elect an APPROVED PRESERVATION FUND or RETIREMENT ANNUITY FUND to transfer his or her entitlement in terms of RULE 27.4.6.1, remains in the FUND and his or her benefits must be dealt with by the Liquidator in terms of RULE 28 below.

[Rule 27.4.6.3 amended in terms of rule amendment no. 11 registered on 23 June 2020]

27.4.7. Whether or not RULE 27.4.5 or 27.4.6 applies, then:

27.4.7.1. Each DC LIVING ANNUITANT must be given the opportunity, on such terms and with such notice period as the TRUSTEES may decide, to transfer the balance to the credit of his or her DC LIVING ANNUITY SHARE ACCOUNT to such APPROVED FUND or INSURER nominated by him or her as will accept that. Failing such transfer the balance in his or her DC LIVING ANNUITY SHARE ACCOUNT must be dealt with in terms of RULE 28.

[Rule 27.4.7 and 27.4.7.1 replaced in terms of rule amendment no. 11 registered on 23 June 2020]

27.4.7.2. The PENSIONERS and DEFERRED PENSIONERS:

27.4.7.2.1. To the extent that such a policy has not already been purchased from an INSURER, the TRUSTEES must proceed to purchase from an INSURER a policy that meets the FUND's benefit liability to the PENSIONERS and DEFERRED PENSIONERS, the purchase of which must include any ACTUARIAL SURPLUS apportioned in terms of RULE 27.4.3 if applicable, as well as a pro rate share of the SOLVENCY RESERVE attributable to each on such basis as the TRUSTEES consider equitable. This policy to be purchased must provide benefits at least equivalent to those provided in terms of the FUND's benefit regime, including in respect of its pension increase policy. The policy to be purchased in terms of this RULE and any policy already held by the FUND are collectively referred to in the remainder of this Rule, as the "Fund Policy".

27.4.7.2.2. The TRUSTEES must, as soon as possible following the date on which the policy is purchased in terms of RULE 27.4.7.2.1 proceed to make an application in terms of section 14 of the ACT for the transfer of the FUND's liability in respect of the PENSIONERS and DEFERRED PENSIONERS to the INSURER or INSURERS that issued the Fund Policy, subject to the same requirements as set out in RULE 38.2.

[Rule 27.4.7 replaced in terms of rule amendment no. 8 registered on 9 September 2019]

27.4.8. Upon their transfer in terms of RULES 27.4.5, 27.4.6 and 27.4.7, each ACTIVE MEMBER, DEFERRED PENSIONER, PAID-UP MEMBER, DC LIVING ANNUITANT and PENSIONER, ceases to be a MEMBER and neither that MEMBER nor his or her DEPENDANT has any further claim against the FUND.

[Rule 27.4.8 replaced in terms of rule amendment no. 8 registered on 9 September 2019]

27.4.9. Upon completion of the discontinuance process as set out in this RULE 27.4, the FUND must be terminated by resolution of the TRUSTEES in terms of RULE 28.1.1.2.

27.4.10. Any transfer in terms of this RULE 27 is subject to the provisions of Section 14 of the ACT.

RULE 28 – TERMINATION OF THE FUND

28.

28.1. Termination

28.1.1. The FUND must be terminated in terms of Section 28 of the ACT:-

28.1.1.1. by Order of a Court; or

28.1.1.2. when the TRUSTEES resolve that the actions required of them in terms of RULE 27.4 after the Discontinuance Date have been completed; or

[Rule 28.1.1.2 amended in terms of rule amendment no. 8 registered on 9 September 2019]

28.1.1.3. if the TRUSTEES so resolve, and the TRUSTEES consider it in the interests of the MEMBERS that the FUND is liquidated without following the discontinuance process referred to in RULE 27; or

28.1.1.4. in the event of an actuarial deficit in terms of the discontinuance process as set out in RULE 27.4.

28.2. Appointment of Liquidator

On the termination of the FUND in terms of RULE 28.1 the TRUSTEES must appoint a Liquidator, subject to the approval of the AUTHORITY. The date of liquidation is the date of such approval of the Liquidator by the AUTHORITY.

28.3. Duties of Liquidator

The Liquidator must carry out such duties, and follow such procedures, as are stipulated in the ACT and by the AUTHORITY.

28.4. Effect of termination

28.4.1. The following applies to DC ACTIVE MEMBERS and DB ACTIVE MEMBERS at termination date:

28.4.1.1. all contributions cease on the date of termination if such contributions had not already ceased in terms of RULE 27; and

28.4.1.2. any benefits which are due in terms of these RULES prior to termination which have not been paid must be paid or dealt with as unclaimed benefits.

28.5. Transfer of Benefits

28.5.1. The Liquidator must, subject to the provisions of the ACT, act as follows:-

28.5.1.1. the FUND must be valued by the ACTUARY on a discontinuance basis and any ACTUARIAL SURPLUS revealed in such a valuation must be apportioned by the Liquidator on the same basis as is set out in RULE 26.2;

[Rule 28.5.1.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

28.5.1.2. after the apportionment of such ACTUARIAL SURPLUS, if any, and after deduction of the liquidation costs, the Liquidator shall:-

28.5.1.2.1. if there are any MEMBERS, apply the provisions of RULE 27.4 mutatis mutandis;

28.5.1.2.2. if there is an amount to the credit of the EMPLOYER SURPLUS ACCOUNT, transfer that at the EMPLOYER's direction in terms of section 15E(1)(h) of the ACT or, if the EMPLOYER fails to give any such direction, to pay it to the EMPLOYER;

28.5.1.2.3. transfer any unclaimed benefits to an unclaimed benefits fund as defined in the ACT or, if that is not possible for any reason, to the Guardians Fund.

[Rule 28.5.1.2 replaced in terms of rule amendment no. 8 registered on 9 September 2019]

28.5.1.3. the Liquidator must consider, as part of such surplus apportionment, any ACTIVE MEMBER, PAID-UP MEMBER, DEFERRED PENSIONER or PENSIONER who exited the FUND since the Discontinuance Date or (if there was no Discontinuance Date) since the previous triennial valuation of the FUND. If either date was less than 12 (twelve) months before the liquidation date, any ACTIVE MEMBER, PAID-UP MEMBER, DEFERRED PENSIONER, or PENSIONER who exited the FUND 12 (twelve) months before the date of termination must be considered as part of such surplus apportionment. However, the Liquidator may exclude from any apportionment any such FORMER MEMBER or former PENSIONER, if the Liquidator considers the costs of tracing and paying the net amounts to the FORMER MEMBERS or former PENSIONERS to be disproportionate to the amount of the potential benefit.

[Rule 28.5.1.3 amended in terms of rule amendment no. 8 registered on 9 September 2019]

28.5.2. Any transfer in terms of this RULE 28 is subject to the provisions of Section 14 of the ACT.

28.6. Unclaimed monies

28.6.1. If the FUND is liquidated under Section 28 of the ACT, all monies remaining unclaimed for a period of six months from the date on which payment of benefits commenced after completion of all necessary formalities, must be paid into the Guardian's Fund, or, if legally permitted, into a registered Unclaimed Benefits Fund, by the Liquidator for the benefit of the BENEFICIARIES concerned. Thereafter there is no claim against the FUND or the EMPLOYER.

28.6.2. The Liquidator must indicate in the final liquidation account the amount thus paid and must simultaneously furnish the AUTHORITY with a certificate to the effect that all reasonable steps were taken to trace persons entitled to any unclaimed benefit.

CHAPTER 3 – PROVISIONS RELATING TO THE DC SECTION

The provisions contained in this section of the RULES, are applicable to:

- ACTIVE MEMBERS who elected to transfer with effect from the CONVERSION DATE from the Defined Benefit basis to the Defined Contribution basis; and
- All EMPLOYEES joining the FUND on or after the CONVERSION DATE.

PART J - CONTRIBUTIONS

RULE 29 – DC ACTIVE MEMBERS' CONTRIBUTIONS

- 29.
- 29.1. Each DC ACTIVE MEMBER who becomes a member of the DC SECTION on or after 1 March 2002 must contribute monthly to the FUND at the rate of 7,5% (seven comma five per cent) of his or her PENSIONABLE EARNINGS for that month.
- 29.2. Each DC ACTIVE MEMBER who was a member of the DC SECTION prior to 1 March 2002 must contribute monthly to the FUND at the rate of 8,5% (eight comma five per cent) of his or her PENSIONABLE EARNINGS for that month.
- 29.3. Notwithstanding RULE 29.2, a MEMBER to whom RULE 29.2 applies may exercise an option to reduce his or her contribution rate to 7,5% (seven comma five per cent) by informing the FUND and the EMPLOYER accordingly, in writing. A DC ACTIVE MEMBER who has reduced this contribution may thereafter exercise a further option to revert to a contribution rate of 8,5% (eight comma five per cent) provided that he or she has informed the FUND and the EMPLOYER accordingly, in writing, and provided that this does not conflict with the EMPLOYER's payroll administration policies.
- 29.4. Notwithstanding RULE 29.2, a DC ACTIVE MEMBER who has been an ACTIVE MEMBER since a date before 1 January 1977, has the right to contribute at the rate applicable to that MEMBER prior to the CONVERSION DATE, if that rate is lower than the rate specified in RULE 29.2, according to the table below:

Age of MEMBER when he or she became a MEMBER	Percentage of PENSIONABLE EARNINGS payable by that MEMBER
Up to 26	7.25
27 to 30	7.75
31 to 33	8.25
34 to 54	8.50

Furthermore, a DC ACTIVE MEMBER to whom this RULE is applicable may, if his or her rate of contribution is lower than that in RULE 29.2, by notice in writing to the FUND henceforth contribute at the rate in RULE 29.2 but may not thereafter change that rate of contribution.

RULE 30 - ADDITIONAL VOLUNTARY CONTRIBUTIONS

30.

- 30.1. A DC ACTIVE MEMBER may, subject to the tax deductible limits for contributions set out in the INCOME TAX ACT, and such conditions as the FUND may impose from time to time, make recurring or lump sum additional voluntary contributions to the FUND. Any such contributions must be credited (added) to his or her DC MEMBER SHARE ACCOUNT.

[Rule 30.1 amended in terms of rule amendment no. 2 registered on 25 April 2016]

[Rule 30.1 amended in terms of rule amendment no. 11 registered on 23 June 2020]

RULE 31 - EMPLOYER CONTRIBUTIONS

31.

- 31.1. The EMPLOYER must contribute monthly an amount equivalent to 18% (eighteen per cent) of each DC ACTIVE MEMBER's PENSIONABLE EARNINGS for that month minus the cost of the premiums in respect of the separate DISABILITY INCOME BENEFIT POLICY and Funeral Benefit arrangement provided by the EMPLOYER. This is subject to the FUND agreeing with the EMPLOYER that, at the EMPLOYER's risk, the FUND receives from the EMPLOYER the premiums for the DISABILITY INCOME BENEFIT POLICY and Funeral Benefit arrangement, and pays these premiums on behalf of the EMPLOYER to the relevant INSURER. It is recorded that the EMPLOYER remains the owner the DISABILITY INCOME BENEFIT POLICY and the Funeral Benefit arrangement.

- 31.2. This contribution by the EMPLOYER must be dealt with in the following way:

- 31.2.1. The premiums in respect of the LIFE ASSURANCE BENEFIT, if applicable in terms of RULE 44.1, and the DISABILITY INCOME BENEFIT POLICY, if applicable in terms of RULE 45, and the premium in respect of any Funeral Benefit Arrangement provided by the EMPLOYER, must be deducted from EMPLOYER's contribution, credited (added) to the EXPENSES ACCOUNT and paid to the relevant INSURER. It should be noted that the Disability Income Benefit is a benefit not payable after the age of 60 years; the Funeral Benefit Arrangement is a benefit not payable after the age of 65 years; and that both benefits are provided by the EMPLOYER and are not benefits of the FUND. Where the premiums for the LIFE ASSURANCE BENEFIT, the DISABILITY INCOME BENEFIT POLICY and the Funeral Death Arrangement are not applicable in respect of a DC ACTIVE MEMBER for whatever reason in terms of the RULES then the portion of the EMPLOYER'S contribution which would otherwise

have funded that premium (for the benefit which is not payable) must be credited to the DC ACTIVE ACCOUNT of that DC ACTIVE MEMBER.

[Rule 31.2.1 amended in terms of rule amendment no. 6 registered on 6 March 2018]

31.2.2. Part of this contribution, after such deductions required by RULE 31.2.1, must be credited (added) to the EXPENSES ACCOUNT, as decided annually by the TRUSTEES on the advice of the ACTUARY; provided that a minimum of 12% (twelve per cent) of each DC ACTIVE MEMBER'S PENSIONABLE EARNINGS for that month must be credited (added) to the DC MEMBER SHARE ACCOUNT as retirement-funding contributions. The provisions of this RULE do not affect the operation of the proviso in RULE 11.3.3.

31.3. It is recorded that when a DC ACTIVE MEMBER is in receipt of a benefit under the DISABILITY INCOME BENEFIT POLICY, in the event that the EMPLOYER is not liable to make the contribution referred to in this RULE 31, the INSURER must make a contribution to the FUND, of an amount as stipulated in the DISABILITY INCOME BENEFIT POLICY. Such a contribution by the INSURER to the FUND is in settlement of the EMPLOYER'S obligation to make that contribution, which is a function of the Disability Income Benefit Arrangement put in place by the EMPLOYER.

PART K - RETIREMENT TIMING

RULE 32 – DATE OF RETIREMENT

32.

32.1. A DC ACTIVE MEMBER may when so eligible in terms of his or her conditions of employment retire from SERVICE in which event he or she becomes a PAID-UP MEMBER. Whether as a DC ACTIVE MEMBER or as a PAID-UP MEMBER, he or she retires from the FUND on whichever of the following events first occurs, provided that:-

- (a) He or she must be given access to RETIREMENT BENEFITS COUNSELLING not less than three (3) months before his or her NORMAL RETIREMENT AGE (if not already retired from the FUND) and, if he or she retires at a date earlier or later than this, when he or she so retires; and
- (b) That such retirement from the FUND contains an election in writing received by the FUND regarding the type of retirement benefit as referred to in RULE 35.2.

[Rules 32.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 32.1.1. when he or she elects in writing to the FUND on or after his or her NORMAL RETIREMENT AGE, provided that the MEMBER may not so elect whilst an ELIGIBLE EMPLOYEE if he or she remains in SERVICE after NORMAL RETIREMENT AGE with the consent of the EMPLOYER in terms of RULE 33;

[Rules 32.1.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 32.1.2. he or she chooses by notice to the FUND to retire early, whether or not in SERVICE or still receiving benefits from the DISABILITY INCOME BENEFIT POLICY, after having attained the age of 55 (fifty-five) years; or
- 32.1.3. he or she is dismissed from SERVICE after having attained the age of 55 (fifty-five) years, and the EMPLOYER regards such dismissal as early retirement.

- 32.2. A PAID-UP MEMBER in the DC SECTION must retire on whichever of the following events first occurs;

- 32.2.1. When the PAID-UP MEMBER, having attained the age of 55 (fifty-five) years, notifies the FUND of his or her intention to receive the retirement benefit; provided that such notification is only properly given if compliant with such requirements as the TRUSTEES may stipulate from time to time.

[Rule 32.2.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 32.2.2. the approval by the TRUSTEES of his or her application to retire before the NORMAL RETIREMENT DATE due to his or her ill health which that PAID-UP MEMBER is able to demonstrate to the TRUSTEES makes him or her incapable of performing the duties required of him or her in the occupation or post in which he or she was last employed; or

- 32.2.3. [Deleted in terms of rule amendment no. 8 registered on 9 September 2019]

RULE 33 - LATE RETIREMENT DATE

33.

If the EMPLOYER consents, prior to a DC ACTIVE MEMBER's NORMAL RETIREMENT DATE, by notice in writing to the FUND, the DC ACTIVE MEMBER may retire late, on such date specified by the EMPLOYER after his or her NORMAL RETIREMENT DATE. Such date may not be later than the last day of the month in which he or she attains the age of 70 (seventy) years. The EMPLOYER may at any

time, by written notice to the FUND, withdraw such consent after such DC ACTIVE MEMBER has attained his or her NORMAL RETIREMENT DATE. On such withdrawal of consent the DC ACTIVE MEMBER must retire at the end of the month in which the consent is withdrawn unless the EMPLOYER indicates otherwise to the FUND. It is recorded that in this circumstance the contributions payable by that MEMBER and the EMPLOYER in terms of RULES 29 and 31 respectively must continue to be paid after that MEMBER's NORMAL RETIREMENT DATE until his or her actual retirement.

34. [Rule 34. deleted in terms of rule amendment no. 3 registered on 24 February 2017]

PART L - RETIREMENT BENEFITS

RULE 35 – RETIREMENT BENEFIT

35.

35.1. A DC ACTIVE MEMBER who retires in terms of RULES 32, 33 or 34, or a PAID-UP MEMBER who retires in terms of RULE 32.2, is entitled to a retirement benefit equal to the amount to the credit of his or her MEMBER SHARE ACCOUNT at the date of retirement.

35.2. The retirement benefit of the retiring DC ACTIVE MEMBER or PAID-UP MEMBER, after commutation to a cash lump sum in terms of RULE 35.4; is one of the following options as chosen by him or her in a written notification to the FUND:

35.2.1. A standard pension in terms of RULE 36;

35.2.2. A living annuity from the FUND in terms of RULE 37; or

35.2.3. An annuity purchased from an INSURER in terms of RULE 38.

[Rule 35.2 amended in terms of rule amendment no. 9 registered on 9 September 2019]

35.3. When a MEMBER chooses a living annuity from the FUND or any form of annuity from an INSURER, the MEMBER must sign a declaration that:

35.3.1. He or she has had financial counselling;

35.3.2. He or she understands how to make adequate provision for future inflation and for the interests of his or her SPOUSE, if any; and

35.3.3. In respect of a life annuity from an INSURER (not a living annuity), the annuity makes some degree of provision for future inflation and for the interests of his or her SPOUSE, if any.

35.4. Subject to the limitations set out in the INCOME TAX ACT, at the time of his or her retirement a DC ACTIVE MEMBER or PAID-UP MEMBER may commute for a cash lump sum such amount as the MEMBER may elect in writing to the FUND, which cash lump sum may not exceed:

35.4.1. The VESTED PORTION, if part of his or her MEMBER SHARE ACCOUNT;
plus

35.4.2. In respect of the balance of the amount to the credit of his or her MEMBER SHARE ACCOUNT if RULE 35.4.1 applies, or the whole of the MEMBER SHARE ACCOUNT if it does not, up to one-third of such amount, subject to such maximum as may be permitted in terms of the INCOME TAX ACT or allowed by the REVENUE AUTHORITY to be taken as a cash lump sum;

Provided that:-

- (a) If such commutation for a lump sum is equal to the whole of the retirement benefit then such payment after tax to the MEMBER ends the FUND's liability to the MEMBER; and
- (b) Such commutation for a lump sum is subject to the deduction of such tax as is required in terms of the INCOME TAX ACT.

[Rule 35.4 replaced in terms of rule amendment no. 14 registered in 2021]

RULE 36 - STANDARD PENSION

36.

36.1. The terms of the standard PENSION for retiring DC ACTIVE MEMBERS and PAID-UP MEMBERS are the following:

36.1.1. If on retirement the MEMBER does not have a SPOUSE, the benefit is a PENSION payable to that MEMBER for life, calculated in accordance with RULE 36.2.

36.1.1.1. In the event that the MEMBER dies within 5 (five) years of retirement, an amount is payable to his or her estate,

equal to the discounted value, as calculated by the ACTUARY, of the monthly PENSION instalments, including bonus PENSION instalments in terms of RULE 36.4, that would have been payable up to the end of the 5 (five) year guarantee period, and including provision made by the ACTUARY for future expected increases in PENSIONS.

36.1.1.2. The MEMBER may instead choose a guaranteed PENSION for a guarantee period of 0 (zero), 10 (ten) or 15 (fifteen) years rather than 5 (five) years. The choice of the guarantee period will impact the amount of the monthly PENSION in accordance with RULE 36.2. The provisions of RULE 36.1.1 apply in the same way to the guaranteed period so chosen if other than 5 (five) years.

36.1.1.3. The first PENSION instalment is due at the end of the month following that in which the MEMBER retires. The last instalment is due at the end of the month in which the PENSIONER dies.

36.1.2. If on retirement the MEMBER does have a SPOUSE, the MEMBER'S PENSION must be adjusted to allow for the provision of a PENSION to his or her SPOUSE. The SPOUSE of a PENSIONER retiring in the DC SECTION does not have any claim on the FUND, except as set out in this sub-RULE.

36.1.2.1. The amount of the MEMBER'S PENSION will be influenced by the guarantee period. The default guarantee period is 5 (five) years. As in RULE 36.1.1.2, the MEMBER may instead choose a guarantee period of 0 (zero), 10 (ten) or 15 (fifteen) years rather than 5 (five) years. The choice of the guarantee period will impact the amount of the monthly PENSION in accordance with RULE 36.2;

36.1.2.2. A PENSION must be payable to that SPOUSE if the SPOUSE survives the PENSIONER whether or not the SPOUSE remains married to the PENSIONER on the death of the PENSIONER;

- 36.1.2.3. The PENSION payable to the SPOUSE will be the same amount that the deceased PENSIONER would have received had he or she not died, for the balance of the applicable guarantee period. If the SPOUSE dies during the applicable guarantee period, an amount will be paid to his or her estate calculated on the same basis as referred to in RULE 36.1.1;
- 36.1.2.4. After the end of the applicable guarantee period, any PENSION payable to the SPOUSE will be equal to 60% (sixty per cent) of the PENSION that would have been payable had the PENSIONER been alive; and
- 36.1.2.5. When a PENSION is payable to the SPOUSE, the first instalment is payable to the SPOUSE at the end of the month following the month in which the PENSIONER died, and the last instalment of the PENSION payable to that SPOUSE will be on the last day of the month in which the SPOUSE dies.
- 36.1.2.6. If there is more than 1 (one) SPOUSE on retirement then:-
- (a) The calculation for the provision of the SPOUSE'S PENSION must be calculated with reference to the age of each SPOUSE, and on the basis that the fraction of the MEMBER'S pension that would be payable to the SPOUSE (after the guarantee period) if there were only one SPOUSE will be split in equal portions among the SPOUSES;
 - (b) On the death of the PENSIONER before the end of the guarantee period, each SPOUSE then surviving shall receive a proportionate share of the PENSION payable for the balance of the guarantee period, and thereafter while he or she is alive a PENSION determined in accordance with (a), whether or not married to the PENSIONER at time of death. In the event that any of the SPOUSES has died before the PENSIONER, the applicable share of the PENSION that would have been paid to that SPOUSE for the balance of the guarantee period shall be paid to his

or her estate, and similarly if any of the SPOUSES dies after the PENSIONER but before the end of the guarantee period, the applicable share of the PENSION shall be paid to his or her estate;

(c) On the death of the PENSIONER after the guarantee period each SPOUSE then surviving shall receive a PENSION determined in accordance with (a), whether or not married to the PENSIONER at time of death;

(d) If a SPOUSE in receipt of a PENSION in terms of (b) or (c) above dies after the guarantee period then that PENSION ceases and does not accrue to the remaining SPOUSE or SPOUSES."

[Rule 36.1.2.6 inserted in terms of rule amendment no. 10 registered on 4 November 2019]

36.2. The amount of this standard PENSION provided by the FUND in terms of this RULE 36 must be determined by applying the MEMBER's SHARE ACCOUNT as at the retirement date, less any amount which may in terms of the RULES be deducted at that time as well as any amount commuted for a cash lump sum in terms of RULE 35.4, on an actuarial basis laid down by the ACTUARY as agreed with the TRUSTEES, taking into account, amongst other things:

36.2.1. The age and gender of the MEMBER at retirement;

36.2.2. Whether the MEMBER has a SPOUSE at retirement;

36.2.3. The age and gender of the SPOUSE, if any;

36.2.4. The chosen guarantee period; and

36.2.5. The necessary allowance for annual increases in accordance with RULE 36.3 and an annual bonus in accordance with RULE 36.4.

36.3. The TRUSTEES, in consultation with the ACTUARY, must adjust this standard PENSION each year taking into account the FUND's pension increase policy as communicated to PENSIONERS. It is specifically provided that:

- 36.3.1. After applying the pension increase policy and in consultation with the ACTUARY, the TRUSTEES may decide that there will be no PENSION increase; and
- 36.3.2. If there is deflation the PENSION then payable may be reduced.
- 36.4. An annual bonus equal to 1 (one) month's PENSION must be paid in November each year to PENSIONERS, including SPOUSES, who are receiving standard PENSIONS.
 - 36.4.1. When the PENSION has not been payable from 1 January of the particular year, due to the retirement of the DC ACTIVE MEMBER, the annual bonus must be pro-rata to the number of months during that year in respect of which the PENSIONER is entitled to receive a PENSION.
 - 36.4.2. When the PENSION has not been payable from 1 January of the particular year, due to the death of the DC ACTIVE MEMBER, the annual bonus must be pro-rata to the number of months during that year in respect of which the PENSIONER is entitled to receive a PENSION.
 - 36.4.3. In the event of the death of the PENSIONER, the annual bonus payable to the SPOUSE and/or DEPENDANTS must be pro-rata to the number of months during that year in respect of which a PENSION was paid to any BENEFICIARY in respect of the original DC ACTIVE MEMBER concerned. The calculation of this bonus must be based on the PENSION payable to such SPOUSE or DEPENDANT, and not on the PENSION paid to the deceased PENSIONER.
- 36.5. No PENSIONER in receipt of a PENSION in terms of this RULE 36 may become a DC LIVING ANNUITANT or transfer his or her accrued benefit in the DC PENSIONER ACCOUNT to the DC LIVING ANNUITY SHARE ACCOUNT.

[Rule 36.5 inserted in terms of rule amendment no. 1 registered on 11 March 2015]

RULE 37 - LIVING ANNUITY FROM THE FUND

- 37.
 - 37.1. Where the DC ACTIVE MEMBER or PAID-UP MEMBER chooses a living annuity payable from the FUND, instead of a standard PENSION, he or she must attend a retirement information session provided by the FUND at the time he or she makes this choice.

- 37.2. In addition, where a DC ACTIVE MEMBER or PAID-UP MEMBER chooses a living annuity payable from the FUND, he or she must sign a declaration specifying that he or she has received retirement information from the FUND, understands the financial and longevity risks attaching to a living annuity (including the effects of future inflation and the need to make provision for the MEMBER's SPOUSE) and that he or she and his or her SPOUSE and DEPENDANT(s) have no claim on the FUND, other than the outstanding DC LIVING ANNUITY SHARE ACCOUNT balance in the FUND relating to that MEMBER.
- 37.3. The living annuity payable from the FUND is subject to such limitations on payment, annual review of the draw down percentage, and any other conditions, as may be stipulated by legislation or by the TRUSTEES from time to time. In particular the TRUSTEES may stipulate a maximum draw down percentage if, in their view and on the advice of the ACTUARY, this is necessary to better enable the living annuity capital to last for the rest of the DC LIVING ANNUITANT's life
- 37.4. A DC LIVING ANNUITY SHARE ACCOUNT must be opened, in terms of RULE 15.4.2.1, for each DC ACTIVE MEMBER or PAID-UP MEMBER in the DC SECTION who chooses a living annuity from the FUND. The opening credit to this account is the full amount to the credit of the DC MEMBER SHARE ACCOUNT in respect of that MEMBER as at retirement less any amount which may in terms of the RULES be deducted at that time as well as any amount commuted for a cash lump sum in terms of RULE 35.4.
- 37.5. The DC LIVING ANNUITY SHARE ACCOUNT of a DC LIVING ANNUITANT must have allocated to it the FUND RETURN achieved by the investment portfolio(s) chosen by the DC LIVING ANNUITANT from time to time in accordance with the choices granted to MEMBERS as outlined in RULE 13.4. The DC LIVING ANNUITY SHARE ACCOUNT of a DC LIVING ANNUITANT must be debited with (reduced by) the PENSION instalments paid to the DC LIVING ANNUITANT in terms of RULE 37.3 and any expenses, taxation and other statutory charges relating to that PENSION, the FUND, or to the assets backing the amount to the credit of the living annuity as decided by the TRUSTEES from time to time.
- 37.6. If the DC LIVING ANNUITANT dies, then the balance in the DC LIVING ANNUITY SHARE ACCOUNT must be allocated by the TRUSTEES, in accordance with Section 37C of the ACT and on the same basis as set out in RULE 43.
- 37.7. Subject to 1 (one) calendar months notice, a DC LIVING ANNUITANT may at any time instruct the FUND to apply the DC LIVING ANNUITY SHARE ACCOUNT balance:

- 37.7.1. to purchase from an INSURER either a life annuity or a living annuity in each case in the name of that DC LIVING ANNUITANT; provided that such life annuity or living annuity so purchased is subject to compliance with RULE 38.2 and approval by the AUTHORITY in terms of section 14 of the ACT. After such purchase the FUND has no liability to that DC LIVING ANNUITANT or his or her SPOUSE or DEPENDANTS; or
- 37.7.2. to receive a standard PENSION on the basis set out in RULE 36 with the same right to elect a guarantee period as referred to in RULES 36.1.1, 36.1.2 and 36.1.2.1, as applicable, on the same basis as if the date of election to receive a standard pension was the date of retirement.

[Rule 37.7 replaced in terms of rule amendment no. 1 registered on 11 March 2015]

- 37.8. If at any time the DC LIVING ANNUITY SHARE ACCOUNT balance of a DC LIVING ANNUITANT reduces below what the ACTUARY calculates is the capital required to purchase from an INSURER an annuity equal to the current State Old Age Pension, the DC LIVING ANNUITANT must purchase with such living annuity balance a life annuity from an INSURER on the same basis as described in RULE 38 or must, if the TRUSTEES so decide, use such balance for the provision of a standard pension in terms of RULE 36 in such amount as the ACTUARY determines.

RULE 38 - INSURED ANNUITY (NOT FROM THE FUND)

- 38.
- 38.1. An annuity purchased from an INSURER (elected by the DC ACTIVE MEMBER, PAID-UP MEMBER or DC LIVING ANNUITANT) in terms of RULES 35.2.3, 37.7 and 37.8 discharges the FUND from any future liability towards the DC ACTIVE MEMBER, PAID-UP MEMBER or DC LIVING ANNUITANT who chooses this, and towards his or her SPOUSE and DEPENDANTS if any; and the MEMBER's membership of the FUND will cease.
- 38.2. An annuity purchased from an approved INSURER must be:
- 38.2.1. In the name of the DC ACTIVE MEMBER or PAID-UP MEMBER or DC LIVING ANNUITANT;
- 38.2.2. A compulsory pension;
- 38.2.3. Not commutable to a cash lump sum;

- 38.2.4. Payable for and based on the lifetime of the person in whose name the annuity is purchased;
- 38.2.5. Subject to any conditions determined by the INCOME TAX ACT, the REVENUE AUTHORITY or the AUTHORITY from time to time.
- 38.3. In addition, where a DC ACTIVE MEMBER or PAID-UP MEMBER or DC LIVING ANNUITANT chooses a living annuity provided by an INSURER, he or she must sign a declaration specifying that he or she has taken financial advice, understands the financial and longevity risks attaching to a living annuity and that he or she and his or her SPOUSE and DEPENDANT(S) have no further claim on the FUND.

[Rule 39.1 amended in terms of rule amendment no. 8 registered on 9 September 2019]

RULE 40 - RETRENCHMENT BENEFITS

RULE 42 - MINIMUM BENEFITS

42.

The benefits paid in terms of RULES 39 and 40 to a DC ACTIVE MEMBER must at least be equal to his or her MINIMUM BENEFITS.

PART N - DEATH BENEFITS

RULE 43 - DEATH BEFORE RETIREMENT

43.

43.1. If a DC ACTIVE MEMBER dies before retirement, a benefit is payable which is the aggregate of the following amounts:

43.1.1. The amount standing to the MEMBER's credit in the DC MEMBER SHARE ACCOUNT at death; and

43.1.2. Any LIFE ASSURANCE BENEFIT which may be applicable to that DC ACTIVE MEMBER, and which may be payable in terms of and subject to the provisions of RULE 44.

43.2. If a PAID-UP MEMBER of the DC SECTION dies before retirement, a benefit equal to the amount standing to the MEMBER's credit in the DC MEMBER SHARE ACCOUNT at death is payable.

43.3. The death benefit payable in terms of this RULE is payable, subject to the other provisions of this RULE 43, to the BENEFICIARY or BENEFICIARIES determined by the TRUSTEES in accordance with the provisions of Section 37C of the ACT.

43.4. The death benefit payable in terms of this RULE must, subject to the other provisions of this RULE, be in the manner set out in the RULES 43.6 and 43.7, provided that if the benefit is in the form of a PENSION or an annuity from an INSURER then it must be compulsory, non-assignable, payable for life to a BENEFICIARY and subject to any further requirements of the REVENUE AUTHORITY; provided further that, in the case of a minor BENEFICIARY, the TRUSTEES can direct that the PENSION be payable to age 21 (twenty-one) years or such other age as the TRUSTEES must specify.

43.5. If the death benefit allocated to a BENEFICIARY is in the form of a standard PENSION then it must be determined on an actuarial basis as laid down by the ACTUARY, as agreed with the TRUSTEES, taking into account, amongst other things:

- 43.5.1. The age and gender of the BENEFICIARY at the commencement of the PENSION;
 - 43.5.2. The chosen guarantee period; and
 - 43.5.3. The necessary allowance for annual increases in accordance with RULE 36.3 and an annual bonus in accordance with RULE 36.4.
- 43.6. A BENEFICIARY may choose to have the death benefit to which he or she is entitled in terms of this RULE 43 paid out as:
- 43.6.1. A standard PENSION on the same basis as set out in RULE 36; or
 - 43.6.2. A living annuity from the FUND on the same basis as set out in RULE 37; or
 - 43.6.3. An insured annuity (not from the FUND) from an INSURER on the same basis as set out in RULE 38.
- 43.7. A BENEFICIARY may choose to receive part or the whole of the benefit in terms of RULE 43.1 as a cash lump sum, within such period as allowed in terms of the INCOME TAX ACT and subject to the approval of the TRUSTEES. This approval will be granted unless there are circumstances that, in the opinion of the TRUSTEES, warrant the benefit being paid as an annuity or in instalments:
- 43.7.1. where the BENEFICIARY is a minor and the TRUSTEES deem it to be in the BENEFICIARY's best interests, in terms of Section 37C(3); and
 - 43.7.2. where the BENEFICIARY is major and the BENEFICIARY has consented to this in writing, in terms of Section 37C(4).

- 43.9. If there are no BENEFICIARIES the TRUSTEES must pay the benefit as a lump sum into the estate of the deceased MEMBER.

- 43.10. If a DC ACTIVE MEMBER dies in SERVICE on or after the age of 65 years, the balance to the credit of his or her DC MEMBER SHARE ACCOUNT shall be paid in accordance with the RULE 43.1.1, and no separate LIFE ASSURANCE BENEFIT will be payable.

[Rule 43.10 amended in terms of rule amendment no. 6 registered on 6 March 2018]

RULE 44 - THE LIFE ASSURANCE BENEFIT

44.

- 44.1. The TRUSTEES must arrange in the name of the FUND one or more insurance policies to provide for the LIFE ASSURANCE BENEFIT on the death of a DC ACTIVE MEMBER who dies in SERVICE under the age of 65 years.

[Rule 44.1 amended in terms of rule amendment no. 6 registered on 6 March 2018]

- 44.2. The premiums required for the LIFE ASSURANCE BENEFIT and any insured disability and family funeral benefits arranged by the EMPLOYER are limited to so much of the total contribution received by the FUND in respect of each DC ACTIVE MEMBER as equals 4,5% (four comma five per cent) of PENSIONABLE EARNINGS. In the event that the cost of the death, disability and family funeral benefits (including any separate, but associated arrangements) exceed 4,5% (four comma five per cent) of PENSIONABLE EARNINGS, these benefits must be reduced on such basis as decided by the TRUSTEES acting on the advice of the ACTUARY, unless the ACTUARY certifies that the FUND can continue to provide the existing benefits for a limited period.

- 44.3. The LIFE ASSURANCE BENEFIT must be on such terms as determined by the TRUSTEES from time to time, provided that the level of cover may be based on age so as to avoid any material cross-subsidies between age groups, and that the TRUSTEES will communicate changes in the level of cover to MEMBERS. It is recorded that as at the date of the resolution passing this amendment (24 November 2017) the level of cover was proposed to be, when this amended is approved (6 March 2018), as set out in the following table:

Member's attained age at death	Lump sum as multiple of annual salary
32 or less	9.00
33-35	8.00
36-38	7.00
39-41	6.25
42-44	5.75
45-47	5.25
48-50	5.00

51-53	4.00
54-56	3.00
57-59	2.50
60-64	2.00

[Rule 44.3 amended in terms of rule amendment no. 6 registered on 6 March 2018]

- 44.4. For purposes of RULE 43.1.2 the date of accrual of a LIFE ASSURANCE BENEFIT is the date on which the FUND receives written confirmation from the INSURER that payment thereof will be made or, if no such written confirmation is received, when payment thereof is received by the FUND.

[Rule 44.4 amended in terms of rule amendment no. 8 registered on 9 September 2019]

- 44.5. The LIFE ASSURANCE BENEFIT is subject to the terms and conditions contained in the insurance policy concerned, and specifically, the LIFE ASSURANCE BENEFIT:-
- 44.5.1. May be restricted in the extent and amount of cover, or (if agreed between the INSURER and the FUND) a portion of such cover may be subject to an additional premium payable by the DC ACTIVE MEMBER, in terms of the underwriting requirements or other conditions of the policy of insurance; and
- 44.5.2. May be subject to the requirement that a DC ACTIVE MEMBER, on commencement of membership, be examined, at the cost of the INSURER concerned, by a medical practitioner appointed by that INSURER.
- 44.6. Any DC ACTIVE MEMBER whose LIFE ASSURANCE BENEFIT is, in terms of RULE 44.5.1, restricted or limited or subject to an additional premium must be advised by the FUND of that, as well as the reason for this. If a MEMBER's LIFE ASSURANCE BENEFIT is restricted in this way and the premium payable to the INSURER in respect of the MEMBER is reduced, the TRUSTEES may, if they believe it is fair and reasonable to do so, direct that so much of the contribution paid by the EMPLOYER in respect of the MEMBER, as is equivalent to the reduction in the premium, be credited to the MEMBER's DC MEMBER SHARE ACCOUNT and not to the EXPENSES ACCOUNT. Similarly, if a MEMBER's LIFE ASSURANCE BENEFIT is subject to an additional premium, the TRUSTEES may, if they believe it is fair and reasonable to do so, direct that so much of the contribution paid by the EMPLOYER in respect of the MEMBER, as is equivalent to the additional premium, be credited to the EXPENSES ACCOUNT and not to the MEMBER's DC MEMBER SHARE ACCOUNT.

- 44.7. The liability of the FUND in respect of any LIFE ASSURANCE BENEFIT for an ACTIVE MEMBER may not exceed the amount payable by the INSURER concerned.
- 44.8. The benefit payable in terms of RULE 43.1.2 shall be distributed and applied at the discretion of the TRUSTEES to the MEMBER's DEPENDANTS and BENEFICIARIES in terms of Section 37C of the ACT.

PART O – DISABILITY INCOME BENEFIT POLICY

RULE 45 – APPLICATION OF THE DISABILITY INCOME BENEFIT POLICY

45.

- 45.1. A DC ACTIVE MEMBER who benefits under the DISABILITY INCOME BENEFIT POLICY must remain a MEMBER of the FUND until retirement, even if he or she does not remain in SERVICE.
- 45.2. By agreement with the EMPLOYER and at the risk of the EMPLOYER, the FUND may both receive on behalf of the EMPLOYER the benefit paid in terms of the DISABILITY INCOME BENEFIT POLICY, and pay that benefit to the DC ACTIVE MEMBER entitled to it, after deduction of any tax payable and of the contributions payable by and in respect of the DC ACTIVE MEMBER in terms of RULES 29 and 31.
- 45.3. A DC ACTIVE MEMBER only benefits under the DISABILITY INCOME BENEFIT POLICY on the terms of the policy providing for that benefit. It is recorded that the DISABILITY INCOME BENEFIT POLICY is owned by the EMPLOYER and is not owned by the FUND. The FUND carries no responsibility in respect of the terms of that policy or the submission of or acceptance of any claim under that policy.
- 45.4. For the purposes of determining FUND benefits and contributions relating to a DC ACTIVE MEMBER in receipt of disability benefits under the DISABILITY INCOME BENEFIT POLICY, the PENSIONABLE EARNINGS of that DC ACTIVE MEMBER are deemed to be equal to the pensionable salary applicable to that DC ACTIVE MEMBER in terms of the DISABILITY INCOME BENEFIT POLICY

CHAPTER 4 – PROVISIONS RELATING TO THE DB SECTION

2

The provisions contained in this section of the RULES, are applicable to:

- ACTIVE MEMBERS who did not elect to transfer from the Defined Benefit basis to the Defined Contribution basis on the CONVERSION DATE; and
- All PENSIONERS receiving PENSIONS from the DB SECTION of the FUND.

PART P - MEMBERSHIP

RULE 46 - MEMBERSHIP

- 46.
- 46.1. The DB SECTION of the FUND was closed to new entrants after the CONVERSION DATE (1 July 1998) following negotiations between the then employers and the EMPLOYEES. Accordingly, the DB ACTIVE MEMBERS are restricted to those ACTIVE MEMBERS at the CONVERSION DATE who elected not to transfer to the DC SECTION.

PART Q – CONTRIBUTIONS

RULE 47 - CONTRIBUTIONS

- 47.
- 47.1. Every DB ACTIVE MEMBER contributes 8,50% (eight comma five zero per cent) of PENSIONABLE EARNINGS to the FUND; provided that a DB ACTIVE MEMBER who has been continuously in the SERVICE since a date before 1 January 1977 must contribute the percentage of PENSIONABLE SALARY specified in the table below:

Age at start of CONTRIBUTORYSERVICE	Percentage of PENSIONABLE EARNINGS Payable by DB ACTIVE MEMBERS
Up to 26 years	7,25
27 to 30 years	7,75
31 to 33 years	8,25
34 to 54 years	8,50

- 47.2. The ACTUARY will annually determine the contribution rate of the EMPLOYER necessary to maintain the benefits defined in the RULES applicable to the DB SECTION. The EMPLOYER is obliged to pay the contribution rate recommended by the ACTUARY in the valuation report, provided that this contribution rate is between the minimum and maximum contribution rates as set out below:

47.2.1. not less than the rate of 20.25% of PENSIONABLE EARNINGS of DB ACTIVE MEMBERS; and

47.2.2. not greater than the rate of 20.25% of PENSIONABLE EARNINGS of DB ACTIVE MEMBERS plus an amount of 2.25% of TRANSFER SALARIES, which are the total PENSIONABLE EARNINGS of the employees who chose as at the CONVERSION DATE (1 July 1998) not to continue

participating in the DB SECTION of the FUND adjusted annually on 1 July thereafter by AVERAGE SALARY INCREASES.

- 47.3. In the event that the rate of contribution which the ACTUARY determines, in terms of RULE 47.2, is necessary for the EMPLOYER to contribute to maintain the benefits defined in the RULES applicable to the DB SECTION is more than the maximum rate referred to in RULE 47.2.2, the difference between the two will be met from the CONTRIBUTION STABILISATION ACCOUNT to the extent possible. If the difference between the two is greater than the amount standing to the credit of the CONTRIBUTION STABILISATION ACCOUNT, then the amount which is not met from the CONTRIBUTION STABILISATION ACCOUNT will be met by reducing future benefits, on the recommendation of the ACTUARY.

[Rule 47.3 amended in terms of rule amendment no. 3 registered on 24 February 2017]

- 47.4. Within the parameters of the ACT and any other relevant regulations, the ACTUARY has complete discretion to determine the contribution rate, and the valuation assumptions and methods used in terms of this RULE 47.
- 47.5. Part of this contribution made by the EMPLOYER must be credited (added) to the EXPENSES ACCOUNT, as decided annually by the TRUSTEES on the advice of the ACTUARY; provided that the provisions of this RULE do not affect the operation of the provisos in RULE 11.3.3.

47.6. Impact of Temporary Absences on Contributions

- 47.6.1. When a DB ACTIVE MEMBER is granted vacation, sick or other leave with pay, either full or less than full pay, his or her contributions in terms of RULE 47.1 must continue to be paid to the FUND in respect of such leave on the basis of full PENSIONABLE EARNINGS immediately preceding the start of such absence.
- 47.6.2. When a DB ACTIVE MEMBER is granted vacation, sick or other leave without pay, he or she may choose to continue to contribute to the FUND. If he or she elects to do so in writing within thirty days of resuming duty, his or her arrear contributions in terms of RULE 47.1 on the basis of the full PENSIONABLE EARNINGS immediately preceding the start of absence without pay, must be paid to the FUND in full within six months of resuming duty.
- 47.6.3. If such a DB ACTIVE MEMBER chooses not to contribute to the FUND while on leave without pay, the period for which contributions have not

been made shall not be included in the calculation of PENSIONABLE SERVICE, for the purpose of calculating the retirement or other withdrawal benefit.

47.7. Arrear Contributions

- 47.7.1. When a DB ACTIVE MEMBER is in arrears with contributions, for any reason, such arrear contributions plus interest calculated at the rate prescribed in terms of Section 13A(7) of the ACT must be repaid within the period prescribed in terms of Section 13A.
- 47.7.2. If a DB ACTIVE MEMBER, who is in arrears with contributions and/or interest thereon, dies or becomes entitled to a benefit before the amount owing is paid, the benefit payable shall be calculated as if all the arrears and interest have been paid and the amount owing to the FUND in respect of the arrears, plus interest, will be deducted from the benefit.

RULE 48 - PURCHASE OF PENSIONABLE SERVICE

48.

- 48.1. A DB ACTIVE MEMBER may, subject to the provisions which follow and notwithstanding any other RULE of the DB SECTION, choose to purchase and have recognised as PENSIONABLE SERVICE for the purposes of these RULES, other than as indicated in RULE 48.3, any period or part of a period, not exceeding 10 (ten) years in total, which –
- 48.1.1. is not or does not form part of a period of already accumulated PENSIONABLE SERVICE, and

- 48.2. A DB ACTIVE MEMBER who has made a choice in terms of RULE 48.1 must pay to the FUND -

- 48.4. The recognition of any period or part of a period as PENSIONABLE SERVICE in terms of RULE 48.1 is subject to such terms and conditions as the TRUSTEES, after consultation with the ACTUARY, may from time to time consider necessary or desirable.
- 48.5. As a benefit enhancement through an apportionment of ACTUARIAL SURPLUS in terms of Section 15C of the ACT, the FUND shall recognise so much additional PENSIONABLE SERVICE as, according to the ACTUARY, equals fifteen percent (15 %) of the CONTRIBUTORY SERVICE attributable to that MEMBER as at 1 February 2007, subject to the proviso that such additional PENSIONABLE SERVICE so recognised does not count as CONTRIBUTORY SERVICE in terms of the provisions of RULE 2 (definition of OPTIONAL RETIREMENT DATE), RULE 49.2, RULE 52.2, and RULE 58.

PART R--RETIREMENT TIMING

RULE 49 – RETIREMENT DATE

This approval must be obtained from the EMPLOYER and communicated to the FUND no less than 6 (six) months prior to the date on which the DB ACTIVE MEMBER would otherwise retire. This written approval is required for each one-year extension of SERVICE. The Policy must comply with the provisions of Sections 14(A)(1)(d) and 14B(3) and (4) of the ACT. It is recorded that, at the date when this RULE was inserted, the FUND's Pension Increase Policy provided for a guaranteed annual PENSION increase on 1 January each year, determined according to the year-on-year change in the headline Consumer Price Index (CPI) (as published by Statistics SA or any statutory body which takes its place) for the twelve month period ending on 30 June immediately preceding such increase, of:-

54.1.1. 80% (eighty percent) of CPI, if the PENSION commenced on or before 31 December 1979; and

54.1.2. 75% (seventy-five percent) of CPI, if the PENSION commenced after 31 December 1979;

provided that, in respect of both 54.1.1 and 54.1.2, to the extent that it is affordable the TRUSTEES may, on the advice of the ACTUARY, increase PENSIONS in any year up to full CPI.

- 54.2. The TRUSTEES are not required to obtain the consent of the EMPLOYER for any annual PENSION increase above 80% (eighty percent) or 75% (seventy-five percent) (according to whether the PENSION commenced before or after 31 December 1979) provided such increase is in accordance with the provisions of Sections 14B(3) and (4) of the ACT.
- 54.3. The TRUSTEES may not, without the written consent of the EMPLOYER, strengthen the Pension Increase Policy by either targeting or guaranteeing increases higher than 100% of the year-on-year change in the CPI (as set out in the Pension Increase Policy existing at the date when this RULE was promulgated); provided that such consent is not required if such strengthening of the Pension Increase Policy is funded by an allocation of ACTUARIAL SURPLUS for the benefit of the DB SECTION PENSIONERS in terms of RULE 26.2.1.2.

PART T – DEATH BENEFITS

RULE 60 – BENEFITS TO SPOUSES AND ELIGIBLE CHILDREN ON DB ACTIVE MEMBER'S DEATH

60.

60.1. For the purposes of this RULE 60 and RULE 61

- 60.1.1. "Deceased Member" means the DB ACTIVE MEMBER or PENSIONER on whose death a benefit has become payable in terms of this RULE 60 or RULE 61;
 - 60.1.2. "Insured Benefit" means the amount payable to the FUND, after deduction of any associated tax or costs, on the death of a DB ACTIVE MEMBER, in terms of a policy issued to the FUND by an INSURER. The amount payable shall be a multiple of the PENSIONABLE EARNINGS of the deceased DB ACTIVE MEMBER, determined by reference to his or her age as specified in terms of Annexure 2 to these RULES or as subsequently revised from time to time by the TRUSTEES to reflect a change in the benefit in terms of the relevant policy.
- 60.2. If a DB ACTIVE MEMBER dies in SERVICE, the Insured Benefit shall, subject to RULE 60.5, become payable in respect of him or her. The Insured Benefit will be applied as follows, subject to RULE 60.3:
- 60.2.1. If the deceased DB ACTIVE MEMBER leaves a SPOUSE:
 - 60.2.1.1. so as to provide the SPOUSE with a PENSION of an amount equal to two thirds of the PENSION to which the deceased DB ACTIVE MEMBER would have been entitled in terms of RULE 51.1.2 if he or she had remained in SERVICE until NORMAL RETIREMENT DATE based on the FINAL AVERAGE EARNINGS at the date of death. If the DB ACTIVE MEMBER has remained in SERVICE beyond NORMAL RETIREMENT DATE, the PENSION payable to the SPOUSE must be equal to that which the MEMBER would have received if he or she had retired on the date of death;
 - 60.2.1.2. in the provision, for the SPOUSE, of a lump sum equal to 7% (seven per cent) of the deceased DB ACTIVE MEMBER's FINAL AVERAGE EARNINGS for each year of PENSIONABLE SERVICE, but no less than ¼ (one quarter) of the annual PENSIONABLE EARNINGS at the date of the Deceased Member's death;
 - 60.2.2. If there are ELIGIBLE CHILDREN, so as to provide the ELIGIBLE CHILDREN with a PENSION paid by the FUND equal to 40% (forty per cent), if one ELIGIBLE CHILD, or 60% (sixty per cent), if more than one

ELIGIBLE CHILD, of the total PENSION payable to the SPOUSE provided that:

- 60.2.2.1. If there are two or more ELIGIBLE CHILDREN the 60% (sixty per cent) PENSION is divided equally between them;
- 60.2.2.2. If there is no SPOUSE, the PENSION must be twice that which would have been granted in respect of them had there been a SPOUSE, and the lump sum which would have been paid to a SPOUSE must be paid in equal shares to the ELIGIBLE CHILDREN;
- 60.2.2.3. If RULE 60.9 is applicable and the deceased DB ACTIVE MEMBER did not leave a SPOUSE, the PENSION shall be enhanced in terms of RULE 60.9.

60.3. If the Insured Benefit is not sufficient to meet in full such of the benefits as are payable in terms of RULE 60.2 on the death of a deceased DB ACTIVE MEMBER, the Insured Benefit shall be applied to provide such benefits in the following order:

- 60.3.1. firstly to provide the SPOUSE's PENSION in terms of RULE 60.2.1.1;
- 60.3.2. secondly to provide the lump sum benefit to the SPOUSE in terms of RULE 60.2.1.2;
- 60.3.3. thirdly to provide the PENSION payable to any ELIGIBLE CHILDREN in terms of RULE 60.2.2; and
- 60.3.4. fourthly to provide the lump sum benefit payable to any ELIGIBLE CHILDREN in terms of RULE 60.2.2,

provided that where it is sufficient only to provide a benefit in part, it shall be applied to provide such part of the relevant benefit.

60.4. Where the Insured Benefit is insufficient to provide the benefits in terms of RULE 60.2 in full, the balance of the benefits payable in terms of that Rule will be payable to the SPOUSE and/or ELIGIBLE CHILDREN, as relevant, out of the assets of the DB ACTIVE MEMBER ACCOUNT.

60.5. If the Insured Benefit is greater than the value of the benefits payable in terms of RULE 60.2 in the case of any deceased DB ACTIVE MEMBER, the benefits payable

will be limited to the amount payable in respect of him or her in terms of RULE 60.2, and the remainder of the Insured Benefit shall be retained within the DB ACTIVE MEMBER ACCOUNT.

60.6. If a PENSIONER in the DB SECTION who was previously an EMPLOYEE dies, the following benefits will be payable:

60.6.1. If the deceased PENSIONER leaves a SPOUSE, the SPOUSE must receive:

60.6.1.1. A spouse's PENSION of an amount equal to two thirds of the PENSION that the deceased PENSIONER was receiving at the date of death; provided that if the amount of the PENSION of the deceased PENSIONER was as a result of having elected the option in RULE 51.1.1, then for the purpose of this RULE 60.6.1.1 the amount of the SPOUSE's PENSION must be determined as if the deceased PENSIONER had elected the option in RULE 51.1.2; provided that if RULE 60.8 is applicable, the PENSION shall be enhanced in terms of RULE 60.8;

60.6.1.2. A lump sum to equal to 1/12th (one twelfth) of the deceased PENSIONER's annual PENSIONABLE EARNINGS immediately before retirement or 1/4 (one quarter) of the annual PENSION that he or she was receiving at the date of death; whichever is the greater;

60.6.2. If the deceased PENSIONER leaves ELIGIBLE CHILDREN, a PENSION must be granted in respect of them, equal to 40% (forty per cent), if one ELIGIBLE CHILD, or 60% (sixty per cent), if more than one ELIGIBLE CHILD, of the total PENSION payable to the SPOUSE, provided that:

60.6.2.1. If there are two or more ELIGIBLE CHILDREN, the 60% (sixty per cent) PENSION is divided equally between them;

60.6.2.2. If there is no SPOUSE, the PENSION must be twice that which would have been granted in respect of them had there been a SPOUSE, and the lump sum which would have been paid to a SPOUSE must be paid in equal shares to the ELIGIBLE CHILDREN; and

- 60.6.2.3. If RULE 60.8 is applicable and the deceased DB ACTIVE MEMBER did not leave a SPOUSE, the PENSION shall be enhanced in terms of RULE 60.8.
- 60.7. If the deceased PENSIONER leaves more than one SPOUSE, the total spousal PENSION and lump sum benefit will be distributed equally between the SPOUSES.
- 60.8. Notwithstanding RULE 60.6, if a PENSIONER who was previously an EMPLOYEE dies within 5 (five) years of retirement, the total PENSION payable to his or her SPOUSE and ELIGIBLE CHILDREN during the remainder of the period of 5 (five) years must not be less than the PENSION that he or she would have been receiving had he or she not died, as increased in terms of RULE 54. The additional PENSION is payable to the SPOUSE if there is one, or to the ELIGIBLE CHILDREN if there is no SPOUSE. After the end of the 5 (five) year period from the date of retirement, the PENSION payable to the SPOUSE and any ELIGIBLE CHILDREN will be calculated as defined in RULE 60.6.
- 60.9. Notwithstanding RULE 60.2, in the event that a DB ACTIVE MEMBER dies, the total PENSION payable to the SPOUSE and ELIGIBLE CHILDREN during the period of 5 (five) years after the death of the DB ACTIVE MEMBER must not be less than the PENSION that would have been payable during that period if he or she had retired in terms of RULE 52 (Ill-Health Retirement Benefit) on the date of death. The additional PENSION is payable to the SPOUSE, or to the ELIGIBLE CHILDREN if there is no SPOUSE. After the end of the 5 (five) year period the PENSIONS payable to the SPOUSE and any ELIGIBLE CHILDREN will be calculated as defined in RULE 60.2.
- 60.10. Subject to the other provisions of these RULES:
- 60.10.1. a PENSION granted to a PENSIONER ceases on his or her death;
- 60.10.2. a PENSION granted to SPOUSE ceases on his or her death, in which event the PENSION payable for any ELIGIBLE CHILDREN is doubled;
- 60.10.3. a PENSION does not cease on the remarriage of a SPOUSE, although where a PENSION has ceased on the remarriage of a SPOUSE in terms of the Previous Rules of the FUND, the TRUSTEES may at any time reinstate the PENSION in whole or in part if they consider that the financial circumstances of the SPOUSE justify this, and in that event the PENSION for any ELIGIBLE CHILDREN shall be correspondingly reduced;
- 60.10.4. a PENSION granted in respect of an ELIGIBLE CHILD ceases when that child reaches the age of 21 (twenty-one) years (unless the child is permanently incapacitated in terms of the definition of an ELIGIBLE

CHILD), or dies, or marries, whichever event occurs first; in which event the PENSION payable in respect of the remaining ELIGIBLE CHILDREN must be recalculated in accordance with RULE 60.2.2 or RULE 60.6.2, as applicable;

60.10.5. the PENSION payable in respect of an ELIGIBLE CHILD must be paid to his or her guardian or, if there is none, his or her caregiver as referred to in the Children's Act, No. 38 of 2005, provided that where the ELIGIBLE CHILD is a major the TRUSTEES may, if they think it is in the interests of that ELIGIBLE CHILD, make payment of his or her PENSION directly to him or her, and

60.10.6. any:

(a) PENSION payable to a PENSIONER in the DB SECTION, or

(b) PENSIONS in aggregate payable to a SPOUSE or SPOUSES, and/or ELIGIBLE CHILDREN, of a deceased DB ACTIVE MEMBER, or of a deceased PENSIONER in the DB SECTION, in terms of this RULE 60,

shall not, in either event, be less than R4,500 (Four Thousand Five Hundred Rands) per month (for the purposes of this RULE, the "minimum pension amount"), provided that:-

(i) The minimum pension amount may be increased to such amount as the TRUSTEES may from time to time decide;

(ii) If at any time the aggregate of the PENSIONS (as they may be adjusted from time to time) as referred to in (b) is below the minimum pension amount, then the difference between the aggregate of the PENSIONS (if any) and the minimum pension amount must be split amongst the remaining PENSIONS in the proportion that the PENSION of each bears to the aggregate of the remaining PENSIONS.

[Rule 60.10.6 amended in terms of rule amendment no. 10 registered on 4 November 2019]

60.11. PENSIONS will be paid monthly at such time as determined by the TRUSTEES upon such evidence of existence as the TRUSTEES may require. The last PENSION payment will be a full monthly payment in respect of the month in which the recipient ceased to be eligible for the PENSION.

[Rule 60 amended in terms of rule amendment no. 3 registered on 24 February 2017]

RULE 61 – BENEFITS ON DEATH OF A DB ACTIVE MEMBER OR PENSIONER

61.

61.1. If a DB ACTIVE MEMBER dies in SERVICE and no PENSION is payable in terms of RULE 60, because there is no SPOUSE or ELIGIBLE CHILDREN, the Insured Benefit shall become payable in respect of him or her. The Insured Benefit will be applied to provide to his or her DEPENDANTS, if any, a lump sum equal to the greatest of:

61.1.1. the amount of the Deceased Member's MINIMUM BENEFITS; or

61.1.2. [Rule 61.1.2 deleted in terms of rule amendment no. 11 registered on 23 June 2020]

First Proviso: Where the Insured Benefit is insufficient to provide the benefit in terms of this RULE 61.1 in full, the balance of the benefits payable in terms of that Rule will be payable out of the assets of the FUND;

Second Proviso: If the Insured Benefit is greater than the benefits payable in terms of this RULE 61.1, the amount of the benefits payable will be limited to the amount payable in respect of him or her in terms of RULE 61.1, and the remainder of the Insured Benefit shall be retained within the DB ACTIVE MEMBER ACCOUNT.

61.2. If a PENSIONER who was an EMPLOYEE dies, and no benefit is payable in terms of RULE 60 because there is no SPOUSE or ELIGIBLE CHILD, his or her DEPENDANTS, if any, are entitled to receive the excess, if any, of:

61.2.1. twice the amount calculated in terms of RULE 61.4 as at the date of retirement, over

61.2.2. the total payments he or she received from the FUND by way of PENSION and lump sum;

[Rule 61.2 replaced in terms of rule amendment no. 11 registered on 23 June 2020]

61.3. If the deceased PENSIONER or DB ACTIVE MEMBER leaves no DEPENDANTS then, in accordance with Section 37C of the ACT, the benefit that such DEPENDANTS would otherwise have received is payable to that person or those persons nominated by the deceased PENSIONER or DB ACTIVE MEMBER, and failing such nomination, to his or her estate.

[Rule 61 amended in terms of rule amendment no. 3 registered on 24 February 2017]

61.4. The amount in RULE 61.2.1 is calculated as follows:

61.4.2. From 1 December 2003, the amount (if any) determined in the previous paragraph, together with the whole amount of his or her own contributions after 1 December 2003, is then accumulated with the monthly FUND RETURNS thereon at the same rate, positive or negative, on the FUND's assets backing the liability to that DB ACTIVE MEMBER.

[Rule 61.4 added in terms of rule amendment no. 11 registered on 23 June 2020]

SHORTFALL: Means a shortfall in the sense contemplated in section 30(3) of the ACT;

SUB-FUND; Means the liabilities held in respect of the members employed by a particular participating employer, any contingency reserve accounts, member surplus account or employer surplus account held in respect of those members or that participating employer, and, where relevant, the corresponding assets; [**Not applicable**]

TRANSFER PERIOD: Means the period 1 July 2022 to 31 December 2022, 1 July 2025 to 31 December 2025, and every five (5) years thereafter.

2. TRANSFERS

2.1 With effect from the end of each TRANSFER PERIOD, MEMBERS in SERVICE may elect to join another ACCREDITED defined contribution APPROVED FUND in which their EMPLOYER

participates, in which case the MEMBERS (and their EMPLOYERS on behalf of those MEMBERS) will cease to contribute to the FUND from this date in respect of any future service benefits and the MEMBERS may elect either to keep their MEMBERS' interests in the FUND on a paid-up basis in the DC SECTION or, if that MEMBER is a DB ACTIVE MEMBER as DEFERRED PENSIONER, or may elect to transfer their MEMBERS' interests in the FUND at this date to that other fund in terms of section 14 of the ACT subject to the approval of the AUTHORITY. If there is a SHORTFALL at this date, the EMPLOYER may be required to make special contributions to address that SHORTFALL over such period and of such amount as are agreed between the EMPLOYER and the TRUSTEES.

2.2 Where an ACCREDITED fund includes both defined contribution and defined benefit categories of membership, the transfer of a MEMBER from a defined contribution category to a defined benefit category is not permitted. A DB ACTIVE MEMBER may transfer to the DC SECTION and then becomes a DC ACTIVE MEMBER in respect of the benefit from the FUND for all past and future SERVICE. The provisions of section 2.1 then apply as if the two categories were separate funds.

2.3 On employment, or with effect from the end of any TRANSFER PERIOD, if the FUND is ACCREDITED, any person employed by an EMPLOYER who participates in the FUND and who has elected or been required to join the FUND, may only join as a DC ACTIVE MEMBER in the DC SECTION. Such persons (and their EMPLOYER on their behalf) will commence contributions to the FUND from that date and, if applicable and the MEMBERS have so elected, the MEMBERS' interests in a fund from which the MEMBERS are transferring will be transferred to the FUND in terms of section 14 of the ACT subject to the approval of the AUTHORITY.

2.4 If a member changes employment from one participating employer to another participating employer in the fund, no benefit will accrue to the member, and the higher of the member's accrued liability in the fund and the member's minimum individual reserve will be transferred to the sub-fund of the new participating employer. **[Not applicable]**

3. TERMINATION OF PARTICIPATION BY AN EMPLOYER

3.1 Any participating EMPLOYER, after giving due notice in terms of RULE 27.2, may terminate participation in the FUND, in which case

3.1.1 Contributions by MEMBERS and the participating EMPLOYER to the FUND for benefits in respect of SERVICE after the end of the notice period will cease from the end of the notice period;

3.1.2 The MEMBERS employed by that participating employer may elect to become PAID-UP MEMBERS (if they are DC ACTIVE MEMBERS) or DEFERRED PENSIONERS (if they are DB ACTIVE MEMBERS) with effect from the end of the notice period if the FUND will not be discontinued in terms of RULE 27, or may elect to transfer their MEMBERS' interests in the FUND at the end of the notice period to another ACCREDITED defined contribution APPROVED FUND in which their

EMPLOYER participates in terms of RULE 2.1 above in this Annexure 3, with the end of the notice period replacing the end of the TRANSFER PERIOD where the latter appears in that RULE;

3.2 The participating EMPLOYER who is terminating participation, or all participating employers in the fund as the case may be, will assume responsibility for funding any SHORTFALL. If so, the EMPLOYER may be required to make special contributions to address that SHORTFALL over such period and of such amount as are agreed between the EMPLOYER and the TRUSTEES.

GOVERNANCE

4. Appointment of TRUSTEES

4.1 In the case where an EMPLOYER, South African Local Government Association, or a trade union has the right to nominate or appoint a TRUSTEE, that party has the right to terminate that appointment at any time.

4.2 The TRUSTEES may disqualify from eligibility for appointment or election to the board of TRUSTEES a person who has been previously removed from a position of trust or who has, by his or her words or conduct, demonstrated that he or she is not a 'fit and proper' person to occupy a position of trust.

4.3 The TRUSTEES may expel from the board of TRUSTEES any person who has, by his or her words or conduct, demonstrated that he or she is not a 'fit and proper' person to occupy a position of trust, in which case the body or constituency which appointed or elected him or her may not re-appoint or re-elect him or her.

5. MANAGEMENT COMMITTEE [Not applicable]

5.1 Where the board of a fund does not have at least half of the members of the board elected by members and a participating employer has 20 or more employees who are members of the fund, each such participating employer and their employees who are members of the fund may appoint a management committee to oversee the affairs of their sub-fund and facilitate communication between the board and the members of their sub-fund.

5.2 A management committee established in compliance with clause 5.1

5.2.1 Must comprise an even number of members, half of whom shall be appointed by the employer and half of whom shall be elected by employees who participate in the sub-fund together with any pensioners who are paid from the sub-fund.

5.2.2 Must meet at least twice a year. A quorum for such a meeting must include at least one employer-appointed member and one member- elected member.

5.3 A management committee established in compliance with clause 5.1 will have such duties and powers as are delegated by the board and documented in a mandate issued by the board to the management committee. such mandate must set out the process by which the management committee is appointed or elected, specify their term of office, and give the management committee the right to

5.3.1 Make representations to the board on any matter affecting the sub- fund,

5.3.2 Communicate with the members of the sub-fund, including calling a meeting of such members,

5.3.3 Receive copies of the annual financial statements, any actuarial valuation report, any summary reports prepared at SUB-FUND level, any amendments to the rules, and any complaints referred by their members to the Pension Funds Adjudicator or the Board,

And provided further that the management committee, and any meeting of members called by that management committee, shall have no decision-making powers, nor may they pass any resolution that binds the participating employer, the fund, or the board. the existence of a management committee does not detract from the authority in law of the board to direct, control and oversee the operations of the sub-fund in terms of the Rules and the Act.

5.4 Each management committee established in compliance with clause 5.1 must establish and maintain an income and expense policy at sub-fund level, in concurrence with the board, which will set out how the management committee will meet any expenses associated with the fulfilment of their duties in terms of the mandate, and must implement such policy.

Meetings of the TRUSTEES

5.5 The TRUSTEES must meet at least quarterly.

Annual Assessment of Performance

5.6 The board of TRUSTEES must assess its performance at least once in each 12 month period, and identify where TRUSTEES need training. The PRINCIPAL OFFICER must organise this training for the year following the date of the assessment.

Reporting of statistics to the SA Local Government Bargaining Council

6. The FUND will supply such statistics to the SA Local Government Bargaining Council as are a condition of ACCREDITATION.

7. FINANCING

In respect of the DC SECTION:

7.1 The contribution rate payable by the EMPLOYER may not exceed 18% of PENSIONABLE EARNINGS, provided that, where the EMPLOYER is paying a higher rate of contribution on 30 June 2022, it may continue to contribute at the higher rate.

7.2 All benefits provided by the FUND must be funded out of the prescribed EMPLOYER contribution and DC ACTIVE MEMBERS contributions determined by the RULES.

In respect of the DB SECTION

7.3 If the DB ACTIVE MEMBERS are paid on a cost to employer basis, PENSIONABLE EARNINGS means the amount agreed with that MEMBER to a maximum of 60% of the cost to employer.

7.4 If an actuarial valuation reveals that the FUND or the sub-fund has a SHORTFALL and the FUND or sub-fund does not implement a funding plan in terms of RULE 26.3 that will eliminate the SHORTFALL within a period acceptable to the TRUSTEES and the AUTHORITY, if relevant, the benefits in respect of future service must be reduced in order to fund the SHORTFALL, or the FUND or the sub-fund must be liquidated. If the FUND or the sub-fund is liquidated, the relevant participating EMPLOYERS must fund the SHORTFALL in terms of section 30(3) of the ACT.

8. REMUNERATION OF INVESTMENT AND OTHER PROFESSIONAL ADVISORS

No amount may be paid to an investment or other professional advisor except for services rendered by it to the FUND in the ordinary course of the governance, management, investment or administration of the FUND, with the following exception: where the FUND offers individual investment choice (either before retirement or after retirement where the MEMBER has elected to receive a living annuity paid from the FUND) and if the RULES so permit, a fee payable to an investment advisor for advice given to the MEMBER which the MEMBER has authorised in writing and which will be paid from that MEMBER's account in the FUND."

2. By the replacement of Rule 8.2.1.1:-

"8.2.1.1 they must meet at least quarterly per annum;"

3. By the replacement of Rule 18.4 with the following:-

"18.4 Freedom of Association of MEMBERS IN SERVICE

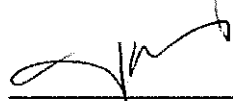

18.4.1 The TRUSTEES may only allow a DC ACTIVE MEMBER or a DB ACTIVE MEMBER to transfer to another APPROVED FUND in which his or her employer participates if there is compliance with the provisions of Annexure 3 to the RULES once Annexure 3 is registered by the AUTHORITY and as from its effective date.

18.4.2 Any such transfer in terms of RULE 18.4.1 is subject to the provisions of the RULES."

The reasons for the rule amendment are:-

- (a) To ensure compliance, at the request of the Employer, with the Agreement so that the Fund will be Accredited;
- (b) To amend the Rules to reflect, in line with the Agreement, that the Trustees must meet quarterly.
- (c) To amend Rule 18.4 to correspond with Annexure 3;

CAPE MUNICIPAL PENSION FUND
RULE AMENDMENT NO. 3

RESOLVED:

As a resolution in writing in terms of Rule 8.4.3 of the Board of Trustees of the Cape Municipal Pension Fund, the Rules of the above Fund be amended with effect from the dates indicated. It is recorded that this resolution is dated at Cape Town on the date of the last signing Trustee:-

A: As from 1 March 2022:-

1. By the addition of the following Rule 32.1.4:-

"32.1.4 For the purposes of RULES 32.1.1 and 32.1.2 any election or notification to retire is only effective if compliant with such requirements as the TRUSTEES may require from time to time."

B: As from 1 July 2022:-

2. By the replacement of Rule 31.2.2 with the following:-

"31.2.2 Part of this contribution, after such deductions required by RULE 31.2.1, must be credited (added) to the EXPENSES ACCOUNT, as decided annually by the TRUSTEES on the advice of the ACTUARY; provided that unless the First Proviso in RULE 44.2 applies, a minimum of 12% (twelve per cent) of each DC ACTIVE MEMBER's PENSIONABLE EARNINGS for that month must be credited (added) to the DC ACTIVE MEMBER's ACCOUNT as retirement funding contributions. The provisions of this RULE do not affect the operation of the proviso in RULE 11.3.3."

3. By the replacement of Rules 44.2 and 44.3 with the following:-

"44.2 The premiums required for the LIFE ASSURANCE BENEFIT and any insured disability and family funeral benefits arranged by the EMPLOYER are limited to so much of the total contribution received by the FUND in respect of each DC ACTIVE MEMBER as does not exceed 4,5% (four comma five per cent) of PENSIONABLE EARNINGS (for purposes of this RULE 44.2 ("the limitation"), subject to the following provisos:-

First Proviso: There are two permissible exceptions to the limitation:-

- (a) if a DC ACTIVE MEMBER elects the Core Plus option in the table in RULE 44.3, and he or she is notified that the consequential higher premium will reduce the amount allocated to his or her retirement savings;

- (b) if an additional premium is payable as contemplated in RULE 44.5.1, and the DC ACTIVE MEMBER is notified that this will reduce the amount allocated to his or her retirement savings.

Second Proviso: Except in the circumstances of the First Proviso, if the cost of the death, disability and family funeral benefits (including any separate, but associated arrangements) exceeds 4,5% (four comma five per cent) of PENSIONABLE EARNINGS, the LIFE ASSURANCE BENEFIT must be reduced on such basis as decided by the TRUSTEES acting on the advice of the ACTUARY, unless the ACTUARY certifies that the FUND can continue to provide the existing benefits for a limited period.

- 44.3 The LIFE ASSURANCE BENEFIT must be on such terms as determined by the TRUSTEES from time to time, provided that:-

44.3.1 the level of cover may be based on age so as to avoid any material cross-subsidies between age groups,

44.3.2 if the TRUSTEES arrange for DC ACTIVE MEMBERS to be able to elect Core Minus and/or Core Plus cover as envisaged in the table below, the DC ACTIVE MEMBERS must, subject to the terms of the policy providing the LIFE ASSURANCE BENEFIT, be able to elect a Core Minus and a Core Plus option of cover, with a respective decrease and increase of premium therefor, at such frequency and according to such requirement as the TRUSTEES may decide,

44.3.3 and that the TRUSTEES must communicate changes in the level of cover to the DC ACTIVE MEMBERS.

It is recorded that the level of cover for the Core, Core Minus and Core Plus will vary from time to time, and that as at the effective date of the amendment of this RULE (1 July 2022), the level of cover was proposed to be as set out in the following table (which may also vary according to the insurance premium rates the FUND is able to obtain):

		Core Minus	Core (same as current)	Core Plus
Level of cover expressed as a multiple of annual salary				
Age	18-32	4.5	9	13.5
	33-35	4	8	12
	36-38	3.5	7	10.5
	39-41	3.25	6.25	9.75

42-44	3	5.75	9
45-47	2.75	5.25	8.25
48-50	2.5	5	7.5
51-53	2	4	6
54-56	1.5	3	4.5
57-59	1.25	2.5	3.75
60-64	1	2	3

4. By the replacement of Rules 44.5 and 44.6 with the following:-

44.5 The LIFE ASSURANCE BENEFIT is subject to the terms and conditions contained in the insurance policy concerned, and specifically, the LIFE ASSURANCE BENEFIT:

44.5.1 may be restricted in the extent and amount of cover, or (if agreed between the INSURER and the FUND) a portion of such cover may be subject to an additional premium payable in respect of the DC ACTIVE MEMBER, in terms of the underwriting requirements or other conditions of the policy of insurance; and

44.5.2 may be subject to the requirement that a DC ACTIVE MEMBER, on commencement of membership or if the cover increases for whatever reason and the INSURER so requires, be examined, at the cost of the INSURER concerned, by a medical practitioner appointed by that INSURER.

44.6 Any DC ACTIVE MEMBER whose LIFE ASSURANCE BENEFIT is, in terms of RULE 44.5.1, restricted or limited must be advised by the FUND of that, as well as the reason for this.

The reasons for the rule amendment are:-

- (a) *To ensure that an election or notification to retire is effective only if compliant with the requirements of the Trustees;*
- (b) *To provide flexibility with regard to the Life Assurance Benefit in order for a DC Active Member to be able to elect such a benefit according to his or her needs;*
- (c) *To correct a drafting error in Rule 44.6.*

CERTIFIED THE RESOLUTION ABOVE IS ADOPTED IN ACCORDANCE WITH THE PROVISIONS OF RULES OF FUND.
